

First Graders
In Paducah
The first grade class of Moorefield School was entertained with a "Breakfast Victory Party" last Thursday by Robbie Lyons of Moorefield.

Several months ago the class came up with two campaign chairmen, who were representing different sides in the Primary Election. During the campaign, Robbie Lyons promised all those who supported his candidate that he would furnish ice cream and cake to the whole class if his candidate won.

The class also took a vote on election day.
