CHRISTIAN CHURCH
The deep spiritual nature of real "Substance" will be the subject at Christian Science services this Sunday.
Bible readings will include these verses from I Corinthians 2: 9, 10: "As it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by His Spirit; for the Spirit searcheth all things, yea, the deep things of God."

LUXURY CAR RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM

You're looking at our Impala Super Sport Convertible which, along with its cousin the Sport Coupe, absolutely embraces higher priced cars.

That special trim and those front bucket seats merely hint at the comforts you find built into every Impala Super Sport.

Performance? It's remarkable, an understatement we can afford while there are engines to choose from. One of which is the popular 400-hp Turbo-Fire 60's, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp!

If you want an extra flourish or two, mull over extra-cost options like floor-shift-four-speed manual or Powerglide transmission, Powertraction, fade-resistant sintered-metallic brake linings, and a tachometer to relay just before you run off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfort-Steering Wheel? You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports demand it.

Super Sport equipment* available on both Impala Convertible and Sport Coupe. *Optional at extra cost.

Before we can get very far in understanding others

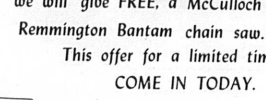

we must begin to understand some of the things that cause us to behave the way we do.
Your personality is the total you. Your mind and body are one. You cannot separate one from the other. Your mind affects your body, and your physical condition affects your mental state. When you get angry with someone your blood pressure goes up.
Parents affect the feeling, thinking and believing of their children. There is a sharing of life that reassures. Little acts of thoughtfulness and a kind attitude strengthen a family. It is easier to realize that the behavior of others is not directly aimed at you. The "Golden Rule" is still a

good idea to hold before you.
Other members present were: Mrs. Ray Flora, Mrs. Frank C. Henry, Mrs. Albert Henry, Mrs. Marion Math-

gins, Mrs. Vivian Scott, Mrs. Russell Shurt, and Mrs. Gracie Caywood.
Mrs. Eugene Neal, president, presided at the business session.

Additional Red Cross Workers:
Mrs. Corrine Marshall has been appointed to help Mrs. Edna Boyd solicit Henryville for Red Cross funds.
