Dr. New Speaker For Carlisle Garden Club
Dr. Earl H. New of the University of Kentucky presented a most interesting program on "Flower Arrangements for the Home" at the opening meeting of the Carlisle Garden Club, Monday evening, March 18.
Many helpful hints were given on coordinating our landscape design with arrangements of flowers. He stressed the values of creating pictures in both outdoor and indoor design. Good balance means symmetrical lines, and influences the harmony of an inviting appearance of the home.
A good landscape design needs vision, and color enters into individual planning.
An interesting set of slides showing both good and bad landscaping were shown. Mrs. Ermine Ritchie was the speaker to illustrate the value of planning.
Following the close of the meeting the members were invited to the new home of Mrs. J. W. Fryman, Mrs. Luther Tischer, Arlie Holton, Carlisle.
