Soil Week May 19-26

The Nicholas County Soil Conservation District will sponsor, locally, Soil Week, May 19-26, said Charles Whaley, acting chairman of Nicholas Soil Conservation District Board of Supervisors, following the regular meeting last week.

County Judge Floyd Clark has signed a proclamation calling upon all citizens of Nicholas County to observe the period of May 19-26 as Soil Sewardship Week and request all persons and religious organizations to unite in an effort during this period to offer supplications to God for the promise of a bountiful harvest and to ask for continued blessings from our fertile fields; and further urge soil conservation district supervisors to increase their efforts in offering wholehearted assistance to the churches in reaching the greatest number of citizens in our county on this occasion.

The Governor of Kentucky has signed a similar proclamation.

Wheat Quota Polls Listed

NEW! ATLAS PLYGRON TIRE

How do you look at a tire-tread? At depth only? You should also look at the amount of rubber in contact with the road. New ATLAS Plygron puts up to 25% more working rubber on the road. The ATLAS tire spreads the car's load over far more surface. Together with its improved tread design, it gives up to 16% better traction for quicker, safer stops. You get more mileage, less-a-slip-on turns, easy steering, real control! You have a choice of two quick-action guaranties. Adjustments can be made on tread-depth remaining, or on number of months in use. And Standard Oil stands behind every ATLAS tire. Come in soon...then go safe—go Standard!
