PROTECTING YOUR TOBACCO!

FEDERAL CROP INSURANCE protects your tobacco production cost - not the expected profit in your crop - from a loss caused by any natural hazard. It pays when the sale of tobacco falls below the guarantee of the cost of growing it.

CROP HAIL INSURANCE protects the profit in your tobacco crop against a loss caused by hail. It pays for spot losses and for total destruction from hail.

TOGETHER, CROP HAIL INSURANCE and FEDERAL CROP INSURANCE gives you complete, modern insurance protection for your tobacco operation regardless of what hazard of nature strikes.
