

New Horizons For Food Industry
Dr. Maurice W. Hoover,

member of North Carolina's new Department of Food Science, predicts that you might one day walk into a

ARE YOU Diabetic?

Public Health nurses will cooperate with the Kentucky State Medical Association in screening tests for diabetes during National Diabetes and Education Week.

November 17-23

Especially urged to take tests are persons over 40, persons with known diabetes in the family, parents of babies weighing nine pounds or over at birth, and persons who are overweight.

See your family physician or go to the County Health Department.

UK BOOKLET DESIGNED FOR HIGH SCHOOLERS
A booklet designed to make social studies more meaningful to high school students has been published by the University of Kentucky Bureau of School Service. Compiled by Dr. Amy Vandenberg, director of the UK School of Diplomacy, and containing special contributions by nine other University faculty members, the booklet is intended to supplement regular course material at the junior and senior level. Its 16 chapters deal with such

topics as population growth, diplomatic, economic and administrative developments.

UK SETS DEDICATION FOR NEW AG CENTER
The dedication ceremony for the University of Kentucky's new Agricultural Science Center has been set for 2 p.m. (EST) Thursday, December 5. Taking part in the program, which is open to the public, will be Governor Bert Conant, University President John W. Oswald, State Finance Commissioner David H. Pritchett and Dr. William A. Seay, dean of the UK College of Agriculture.

THE CARLISLE (KY.) MERCURY
Thursday, November 21, 1963 Page 6
all-time high of \$1,645 in 1961. The figure is only 72 per cent of the national average for the year, but nevertheless represents an increase of \$24 per cent—about 47 per cent—in the past 10 years. Only 22 counties exceeded the state average, whereas 25 counties had capita personal incomes of less than half the national average.

UK BUREAU SURVEYS KENTUCKIANS' INCOME
The University of Kentucky Bureau of Business Research has reported, in its latest income study, that Kentucky's per capita personal income reached an
