Movie Wins
Award**

A film produced by the 57 banks of the cooperative Farm Credit System was among those honored at the annual Film Festival. The film, "Credit Where Credit is Due," released in June, was named to receive a Chris Certificate Award in the Information-Education category at this year's festival. Some 750 films and filmstrips from the U. S. and several foreign countries were entered.

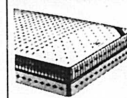

The 20-year-old soldier attended Nicholas County High School.

In The Service

In Maneuver Army Specialist Five Kenneth C. Lyons, son of Mr. and Mrs. Sorensen S. Lyons, who live on Route 2, Carlisle, participated in Exercise LEFT HOOK, a five-day 1st Armored Division maneuver conducted at Fort Hood, Tex. During the exercise, which ended late in September, a mock war was devised which included both offensive and defensive problems, a simulated nuclear attack, river crossings and offensive and defensive guerrilla operations. Specialists Lyons, a mechanic in the 1st Battalion's Company B of the division's 13th Armor at Fort Hood, entered the Army in May 1961 and completed basic training at Fort Knox, Ky.

Nicholas County High Notes

by Phyllis Faulconer and Dorcas Allison
After last night's vandalism, excitement raged throughout the school the first few days of last week as students played detectives trying to find the culprits.

"Mr. Wesley is improving very nicely and is expected to return home from the hospital before too long," stated Mrs. Wesley. Students eagerly received their school pictures Tuesday at noon. Many students exchanged many pictures during the afternoon.

F. F. A. Sweetheart was the title given to Miss Judy Whittaker, junior, daughter of Mr. and Mrs. Chad Whittaker of Moorefield, when she was elected to this honor by the F. F. A. boys. Thursday, The 1964 yearbook is going to be bigger and better than ever before," stated Mrs. Carroll Hall, yearbook advisor.

Thirteen to seven was the final score as Nicholas County lost to Kentucky School for the Deaf at Danville, Thursday night, October 24.

The student teacher, David Derrick, formerly from Hamilton, Ohio, teaching health and physical education arrived Monday at Nicholas County High. Mr. Derrick is attending Morehead State College where he will receive his A. B. degree in Education the first of January. He is a member of the Aquila club, active in intramurals, and played two years of baseball and golf.

The black-topping of the drive and parking lot is a great improvement to the Nicholas County high school. The Senior class members have been washing cars for the past two Saturdays at Green and Millers, and Rex and Paul's, to obtain money toward their senior trip. On Saturday, November 2, they will again wash cars at both service stations.

Jimmy Letcher, senior son of Mr. and Mrs. Eugene Letcher of Myers Station, was elected F. H. A. Brother of the month.

ELECTRIC dries them best

Your clothes get the best treatment when they're dried electrically. For all its wonder, Nature can't match the perfectly controlled temperatures of a flameless electric dryer. Sunlight's often too harsh for all but the roughest denims. Wind blows soot and soil back into clothes. But tumbling clothes in electric heat is the gentlest drying of all. It's pure electric heat, clean on an electric light and just so safe. Enjoy first class living now—with a flameless electric dryer.

BUY YOUR ELECTRIC RANGE OR DRYER NOW. WE'LL PAY YOUR WIRING BILL.
If you change from 2-wire to 3-wire, 100-ampere service, and install a range or clothes dryer, we'll pay \$35 on your wiring bill.
If you have 3-wire service and install an electric range or dryer, we'll pay \$15 toward additional wiring, including. Offer good September 1 to November 30. See your K.U. or C.O.P. manager for eligibility.

Thursday morning by the Carlisle-Nicholas P. T. A. held a meeting Tuesday night at Nicholas County High with student representatives to discuss recreation to be held after the ballgame.
