Medic Alert

Continued from page 1
... or in time, as is often the case because attending physician or policeman has no way of knowing about the victim's medical problem.

Thousands of cases are recorded each year of accidental poisoning in the home. Victims reacting violently, sometimes fatally, to drugs, poisons have mistakenly taken diabetes pills as drunks instead of pills.

The purpose of this article is to familiarize everyone with the medic-alert emblem and its meaning and to look for it immediately on accident victims.
