

DRIVERS' PERMITS AT 400 PER MINUTE—Operation of New UNIVAC Machine as it prints permits for Kentucky's new red, white and blue drivers' permits at the Kentucky Department of Public Safety at Frankfort is observed by (from left), Don C. Sullivan, director of the Division of Driver Licensing, Commissioner Glenn Lovens and Captain Harold J. Lamford, director of the State Police Records Bureau.

HEADQUARTERS HOMEMAKERS

READ THE CLASSIFIEDS
by Mrs. John W. Holland
Mrs. Lawrence Hankin was assisted by her daughter in entertaining the Headquarters Homemakers for the April meeting.

Mrs. Emmett Darrell called the meeting to order, taking care of business, suggesting ways of contacting the fire department thru the club. Plans were made for the benefit dinner to raise funds for the fire truck expenses.

Several of the members told of attending the Federation of Homemakers meeting recently.

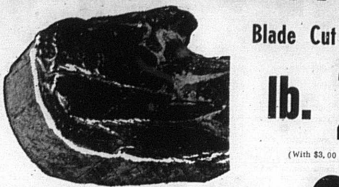

Roll call was answered by 17 members. We are happy to have Mrs. Warren Wilson as a new member.

Mrs. Veach Delaney gave the devotional.

After lunch the lesson on How to Make Your Own Drapes was given by Mrs. Elbert Smith. She said drapery construction is not difficult if you measure accurately and follow proper constructions and methods. They can be hung to make the windows look larger or smaller. We should check to see if the fabric is pre-shrunk, colorfast, that the pattern is printed on the grain of the fabric and that sizing has not been added to give the body that will come out when washed or dry cleaned.

We then adjourned to meet with Mrs. Emmett Darrell for the May meeting, which will be a pot luck lunch.
