F.H.A. DEGREES
by Dorcas Allison

Judy Crawford, Phyilis Faulconer, Linda Storey and Dorcas Allison members of the Future Homemakers of Nicholas County are working on state degrees this year.

Judy, junior, has child care as her main project. Phyllis, senior, is assuming responsibilities within the home. Linda, senior, is working to achieve more ideas in leadership of F.H.A. Dorcas, senior, is planning interior decorating in the home.

To receive a state degree, a girl must be an active member of F.H.A. She must be helpful in many activities and letting others know what F.H.A. is. Many activities must be completed before receiving the degree. She must help at home and in the community by having responsibilities to help others.

BUFFALO TRACINGS

The Nicholas County Memorial Library has among its record collection many of the most popular operas. The composers and titles follow: Puccini-La Boheme: Verdi-Aida: Rossini-The Barber of Seville: Bizet-Carmen; Gounod-Faust; Donizetti-Lucia di Lammermoor.

Winter Driving Tips

We at Southern Bell are very conscious of our daily need for practicing the rules of safety. We are proud of our safety record and hope the following Winter Driving Tips will help you to play it safe.

1. Open the window slightly when driving on a long trip.
2. Keep your windshield clear all the time.
3. Check your headlights for proper angle of beam and use the low beam when driving while it is snowing. (This decreases reflection on the windshield).
4. Carry a bucket of sand in case you get bogged down in mud or snow.
5. Use snow tires or chains, if possible.
6. If you do not have snow tires or chains, use a back and forward rocking motion to get out of ruts.
7. Check electrical wiring for wear and tear.
8. If you find yourself in a skid, turn your front wheels in the direction of the skid. (Practice this until it becomes nature to you, but practice when and where there is no traffic - NOT on the highway.
9. When you want to stop in a hurry, tap your brake gently but firmly with quick, successive taps or shift into a lower gear.

Southern Bell has big plans for growth and expansion in Kentucky during 1964, C. Hunter Green, Southern Bell Vice-President and General Manager says the amount to be spent this year will reach $26.6 million. Some of this will go toward new buildings, cable, poles, etc., however, much of it will be spent on complex behind-the-scenes equipment which will provide more and better telephone service. This is a big job -- one we are proud to share with a great state and a great people.

JUST IN CASE YOU DON'T HAVE A $100,000 BILL IN YOUR WALLET . . . maybe you would like to know President Wilson's face appears on it. Grover Cleveland is on the $1,000 bill . . . Madison is on the $5,000.
