Tobacco Growers
Alerted To Apdrid
Tobacco growers should be alert for buildup of the green peach aphid, a major pest of tobacco, this year. The pest is reported to have increased in numbers this year.

Farm Safety
Telling children that medicine is candy only persuades them to take pills without washing, but they may later take a dangerous overdose in the innocent belief that they can be harmed. Some other way of persuasion can end this danger.

Hypertension
Hypertension is a high blood pressure (110/160). That which leading medical doctors say is dangerous is because so much has been learned in recent years about the treatment of hypertension that the outlook for people with high blood pressure is more favorable than it has ever been before.

How to get MORE out of your tax refund
When you get your 13 tax forms (Form 1040), take a look at line 23 on the bottom of the form. It gives you the option of taking your refund in U.S. Savings Bonds instead of a check for the total amount.

Readers' Comments
Dear Sir: We visited your friendly little town Friday during your Berry Festival. Everyone was so friendly and so helpful. We pulled the car up and the car was washed. The street about 5 blocks from the platform where the two were going, in front of a newly kept white car.

Social Security
Question: I operate a mail business. How do I pay my social security tax? Answer: Your tax is paid at the end of the year at the time you file your federal tax return. You need a Social Security number to figure the tax.

National Service Insurance
Two bills recently signed into law by President Johnson will benefit veterans who hold National Service life insurance policies. Veterans Administration announced today.

Death Tax On Farms
In 1962, a total of 2,246 persons died on farms—15 accidents died on farms—15 accidents in 1962. This week—National Farm Safety Week—these figures are startling. You can realize that every one of these deaths probably could have been avoided.
