Meet Your Teachers

GLADYS NORSWORTHY

HERBERT OWENS

Meet the new members of the Nicholas County Elementary School faculty, Herbert Owen and Mrs. Gladys Norsworthy. Mr. Owen is not a new teacher but is our new principal. When William Nutter resigned we were fortunate to have Mr. Owen become principal.

Mr. Owen a native of Fendleton County, graduated from Butler High School and holds B.S. and M.A. degrees from Eastern Kentucky State College. Prior to coming to Nicholas County he was principal of the Mt. Sterling Elementary School. He and his family lives in Mt. Sterling.

When asked his goals for the year, Mr. Owen replied, "To contribute my personal support toward obtaining funds available under the Elementary and Secondary Act of 1965.

At the time Mr. Owen became principal, we were fortunate to have Mrs. Gladys Norsworthy wife of the Rev. James A. Norsworthy, minister of the Carlisle Methodist Church, join our teaching staff.

Mrs. Norsworthy graduated from Irvin High school and holds a B.S. degree from Eastern Ky. State College. She has taught English 15 years and has not been absent from her work in 14 years. She is the mother of two sons, James who is married and lives in Louisville and Douglas, a junior at Morehead State College.

Mrs. Norsworthy who presently is teaching social studies in the sixth and seventh grades, says she is enjoying exploring Kentucky with Daniel Boone and capturing the British forts in the Northwest with George Rogers Clark.

(FHTNC) -- Hospital corpsman Third Class W. G. Gaunce, USN, son of Mrs. Pearl E. Gaunce of Main St. Carlisle, participated in the U.S. First Fleet's training exercise "Range Bush" Nov. 18-24, while serving aboard the attack aircraft carrier USS Ranger.

Aviation Boatswain's Mate Third Class Bobby G. Hays, USN, son of Mrs. Dorothy Hays of Carlisle, Route 3, is serving in the Viet Nam area, aboard the attack aircraft carrier USS Orskany, a unit of the U.S. Seventh Fleet.

The Orskany has set a new record for combat air sorties flown by an aircraft carrier during one combat deployment. In the past six months, the ships aircraft flew 11,041 combat missions in the South China Sea. The old record was held by the aircraft carrier USS Coral Sea, with 10,000 combat sorties during her eigth month deployment.

PARKS HOMEMAKERS

By Mrs. Kash Grimes

Mrs. Horace Bell gave many helpful suggestions pretaining to Christmas decorating, in her landscape lesson at Parks Homemakers at the home of Mrs. Warner Lowe, Thursday afternoon, Dec. 2.

We were told that the real purpose of Christmas decorating is lost if we only try to out-do our neighbor. Simplicity and moderation in decorating shows a sense of value and taste. We often avoid use of artificial trees because they are man made and therefore do not carry the spirit of Christmas.

Mrs. Bell reminded us to not forget to check our evergreen's need for water, especially ones on north and east sides of our homes. Rain often misses them. Also to check all stored bulbs to see if they are too dry, too moist, too warm, or too cold.

Mrs. Lowe gave a most interesting book review on "Keep Christ in Christmas," by Katherine Marshall. The title of book alone, is a good thought for each of us to keep in mind all during this month of December.

Mrs. Rubel Williams, president, had charge of business, both old and new - reminding Club members that we start our lessons on braided rugs in January. All non-club members interested in this project are urged to join us on Jan. 6, and take advantage of these lessons.

During recreation period club members exchanged gift and prepared a Sunshine Box for a "shut in friend".
