Dear Santa Claus,
We are 2 boys that try to behave most of the time but for boys that's pretty hard to do.
I, Kenny, am seven years old and would like a Red River gun, Bike with training wheels, snow machine, Buddy-L truck, a robot, a wooden wagon and that's all.
I, Billy, am 2 years old and want all the trucks dolls, and other toys I see on T. V. and in sales catalogs.

We know we cannot have everything we want so bring what you think is best for us.
Please Santa, remember all the boys and girls that don't have Mom-mies and Daddys.
And bring Mrs. Blanch Cameron what she most wants for Christmas, and our big brother who is going into training at Parris Island 1 month after Christmas.
