by Mrs. Reynolds Allison

Christmas was everywhere at the home of Mrs. John Clinkenbeard Dec. 14, while entertaining 15 Headquarters Homemakers, Mrs. Margie Wilson, Home Agent Agent and two visitors, Mrs. John B. Smith and Mrs. Billy Sparks.

Everyone enjoyed the games prepared by Mrs. Veach Delaney with Mrs. Emmett Darrell, Mrs George Dale, Mrs. Clinkenbeard and Mrs. Wills receiving prizes. Gifts were exchanged.

STRENGTH FOR THESE DAYS
We are children of God: and if children, then heirs; heirs of God, and joint-heirs with Christ.—(Rom. 8:16).
We are children of God, radiant, all-wise, all-loving, all-conquering child of God. Nothing in the external world has power to worry or depress us. Nothing has the power to make us feel slighted, hurt or mistreated. We as children of God are all-conquering and triumphant. We walk securely and confidently in the knowledge of this truth.

'65 Wool Marketing Year Ends Dec. 31

Producers were reminded today that the 1965 marketing year under the wool and mohair program ends December 31. (It appears that payments will be necessary on mohair sold during 1965.) According to Freenman M. Hockensmith, Chairman Agricultural Stabilization and Conservation State Committee, this means that payments for the current 1965 year will depend on completing all details of marketing either wool, mohair, or lambs by that date. Marketing completed after December 31, 1965, will become marketing in the 1966 marketing year, and thus not eligible for payments until early 1967.

The Chairman urges producers to make sure that all details of the 1965 sales are completed not later than December 31. This includes passing title to the buyer, delivering the wool or mohair to the buyer either physically or through documents transferring control to the buyer's total purchase price.

Applications for the 1965 marketing year payments under the National Wool Act may be filed with the ASCS county office any time, but the Chairman said, "the sooner the better" incentive payments under the wool program are based on the average national price for marketings during the whole year, and this can be determined more exactly if reports on marketings are complete. ASCS is making a special effort to have all applications filed before Jan. 31, 1966. Payments for the 1965 marketing year will likely begin in April of next year.
