KENTUCKIANS**

KENTUCKY'S RURAL ELECTRICS WILL HELP

In our schools and on our farms the Rural Electric helps. Every year the Rural Electric provides approximately 1200 new appliances to 182 Kentucky high schools and five Kentucky colleges for use in home economics and modern living classes. This program makes it possible for these schools to teach with the latest equipment at no cost to themselves.  
Kentucky's Rural Electric insures all Kentuckians to join in support of all programs which will help our citizens enjoy the benefits of modern science and technology.

be locally published against a candidate seeking election to the County Board? During the last election, was it right for the Superintendents to provide voter transportation to help one Board member defeat another? We ask the patrons of our schools to support the Board members that they elected to act in the best interest of the patrons. Don't you think it wise for the Board to act as a democratic unit and not be run as one-man Board? Do the people of our county favor a one-man school system or a democratic system that represents ALL the people of the county? We, your Board members, represent the teachers, parents, students, taxpayers and patrons. We are striving
