School Board Session Held; Investigation Underway

(By School Board Secretary) (Combined Reports)

A special meeting of the Nicholas County Board of Education was convened at 1: 30 p.m. Friday, Feb. 19.

The chairman, Woodrow Gaunce, presided with all members present.

The meeting was called by the secretary, Raymond J. Wesley, at the request of four members: Robert Coatney, Vernon Craig, Marion Sims, and Dean Auxter.

The purpose of the meeting was:

"To consider the possibility of charges to be brought against the Superintendent of Nicholas County School System, Raymond J. Wesley, to have him removed as superintendent of schools and secretary and treasurer of the Board."

Mr. Coatney moved that charges against Mr. Wesley be investigated by the Board. Seconded by Dean Auxter.

The votes on the motion were recorded as: Eugene Letcher, Russell Wills, and Mr. Gaunce, with Mr. Gaunce explaining his vote, "that there are not sufficient grounds for evidence."

Voting yes: Mr. Craig, Mr. Auxter, Mr. Sims, and Mr. Coatney.

Besides the Nicholas

See School, Page 7

The Nicholas County board of education voted Friday to investigate accusations against School Supt. Raymond J. Wesley and learned that the state is seeking to oust two board members.

The two, Robert Coatney, board vice chairman, and Vernon Craig, will be investigated by the state for alleged conflict of interest.

Coatney made the motion for investigation of Wesley, asking that it be made by the board and the board's attorney John Anggelis, of Lexington. The motion said they should prepare charges if any are merited and submit them for the board's consideration.

While no specific accusations were made part of the meeting's minutes, in searching for wording for his motion, Coatney mentioned "intimidation of a board member," with bodily harm, and "insubordination."

The investigation will take about two weeks.

Wesley was allowed to remain in the chamber during the meeting, and as secretary prepared the motion for investigation. He had little to say after the meeting except, "The whole thing goes back to the merger."

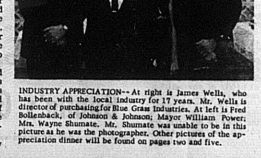
Nicholas County and Carlisle school systems were merged two years ago. Wesley, who had been superintendent of county schools, became head of the merged system.

Friday's session grew out of an "informal" meeting last Saturday at which Coatney, Craig, Marion Sims and Dean Auxter heard complaints against Wesley, Anggelis said. The four directed Wesley to call a special meeting of the board Friday to discuss, the possibility of bringing charges and removing the superintendent.

The proceedings against Coatney and Craig were authorized by State Atty. Gen. Robert Matthews. Frankfort Atty. Ben Fowler is to represent the state.

Basis for the proceedings is a Nicholas County school audit report for fiscal year 1962-63, made by Orr and Horton, Lexington, which said, in part:

"A number of instances of apparent conflict of interests involving board members were noted. Some of these were caused by the merger on May 4, 1963."



INDUSTRY APPRECIATION--At right is James Wells, who has been with the local industry for 17 years. Mr. Wells is director of purchasing for Blue Grass Industries. At left is Fred Bollenback, of Johnson & Johnson; Mayor William Power; Mrs. Wayne Shumate, Mr. Shumate was unable to be in this picture as he was the photographer. Other pictures of the appreciation dinner will be found on pages two and five.

Specialist To Speak

Mr. Massie will discuss varieties, plant bed management, fertilization, diseases, insect control and other factors necessary for producing quality tobacco. Results of 1964 experimental work will be released.

This will be a good opportunity for county growers to discuss problems which concern them most. All producers are urged to attend and keep abreast of changes and recommendations for 19-65.

Cancer Society Officers Named

Nursing Home Dedication Sunday

What started as a dream more than two years ago will become a living reality this Sunday afternoon, February 28. The new Johnson-Mathers Nursing Home and Home for the Elderly, which this newspaper has been priveleged to have a sneak preview, gives evidence of being one of the finest buildings that we have ever seen. It will stand as a continuing tribute of the love which the people of Nicholas County have for our elderly citizens.

The new home is financed entirely from the sale of bonds and there are no Federal, State, or County funds in it. The bonds will be paid from the revenue from the patients in the form of monthly bills. This is a democratic enterprise exemplified at its very best.

The building will be open for inspection by the public from 9:00a.m. to 4:00 p.m. on Saturday, February 27, and there will be tours following the dedication at 2:00 p.m. on Sunday, February 28. The program for the dedication is as follows:
