Will it ever be "old-fashioned"?

Not during the life of this wise home-owner because he built with the future in mind and selected the modern heating system—safe, comfortable and economical Electric Heat. Saved him money because Electric Heat costs less to install than old-fashioned heating systems. Electric Heat will keep on saving, too. Costs less to operate than most old-fashioned fuels. But the difference is in comfort; you choose the best degree of warmth for each individual room. When you build, make yours a Gold Medallion Home. It's your best assurance of having a modern, well wired home that'll be "up-to-date" the rest of your life!

**GOLD MEDALLION HOME FEATURING ELECTRIC HEAT**

Your family deserves the best. Learn more about low-cost Electric Heat. Our Heating Specialists will gladly study your heating problem and make practical suggestions about your heating system. Call us for free information. No obligation, of course.
