CARD OF THANKS

I want to thank one and all for their kindness shown me while a patient at the Nicholas County Hospital. Those who sent cards, flowers, the Hospital staff, Dr. Morford and my kind neighbors. Mrs. Early Lawerence. 7-15-1tchg.

CARD OF THANKS

Words fail us when we try to thank our relatives, neighbors and friends for all they did for us, during the long illness and passing of our dear husband, Jesse Crouch. We want to thank the Tolliver's family for the many ways in which they helped us. Rev. Frank Simons for his comforting words, Mathres-Shearer for their faithful service, the Kingsolver, the Nicholas County Hospital staff, the singers, those who gave flowers, sent cards, every deed of kindness. May God bless and keep every one of you. Mrs. Jesse Crouch. 7-15-1tpd.

CARD OF THANKS

We wish to express our sincere thanks to my many friends and relatives who sent cards gifts, flowers, and for their prayers, or every kind deed done for my family or visited me during my recent illness. Mrs. Alma Tout. 7-15-1tpd.

CARD OF THANKS

What Nicholas Countians Have Done For Our Daughter

Although we hear and read reports of callousness on the part of the general public toward their fellow men who may be in need of assistance, I can gratefully say that no such feelings exist in the Nicholas County Chapter of the National Foundation, March of Dimes.

Our daughter, Evelyn Ruth Shrout, was born February 20, 1964 with a significant birth defect. Evelyn was taken to the University of Kentucky Hospital in Lexington, and after an examination was concluded that surgery would be necessary. This was done successfully, and after nine days Evelyn was released and came home with us. The defect was found to be two ducts, located in the skull. If this operation had not been done soon after birth it would have destroyed eye sight, brain, and finally taken her life.

Evelyn is not an ordinary Hydrocephalus (water head) type. She was the first of this type that had surgery to their knowledge. The Foundation came to our aid, offering to underwrite the hospital bill for her major operation which was $379, 00 and have paid $66. 00 on her out patient clinic bills. Her Daddy's insurance came through shortly afterward, and paid the doctors bill. No insurance will pay out patient bills that amount up very fast with the x-rays that are necessary. This would have been a staggering amount for we young people, and with all the Doctor bills that came at this time.

Aside from alloying our natural feelings regarding the birth defect, we are extremely grateful to all the March of Dimes people in Nicholas County and also to the University of Kentucky Hospital. We would like to extend special thanks to the following people who took a personal interest in us in our time of stress; Mrs. Paul Stone, Mrs. Luther Anderson, Mrs. M. H. Ruddell, Sr., Mrs. M. H. Ruddell, Jr., Mrs. Sam Feeback, Dr. I. T. Morford, family physician, Dr. Charles R. Wilson, neurosurgeon, of University Hospital, and many others. What has been done for her enabled our little girl to be well on the road to a normal and happy life. Twice since her major operation her shunt (tube) from her skull to her heart has had to be lengthened. When she has out grown this shunt, which should last until she is three or four years old, the surgeons hope to have sufficient knowledge to change this drainage to the normal place which is through the brain cavity to her spine.

We thank you one and all who have contributed to the March of Dimes through the years, for little do we know that when "Bread is Cast Upon The Water", that it may return to us after many days.

Mr. and Mrs. Cecil Shrout
7-15 1 t pd.

NICHOLAS COUNTY LIVESTOCK NEWS
by
MARVIN CASWELL
Purina Feeding Advisor
NICHOLAS COUNTY FEEDERS
Carlisle, Ky. Phone 1008

CONDITIONING BABY BEEF CALVES

Cow and calf operators who plan to sell feeder cattle this fall could really profit by feeding Purina's Cattle Starter No. 1 for seven days and Cattle Starter No. 2 for the following seven days or until the cattle are sold. Cattle will gain 3 to 6 lbs. per day during this period at a cost of approximately 13-17¢ per pound PLUS upgrading the calves with condition and bloom that the feedlot operator is looking for. Stop by and let us discuss this program with you.

HOG PRICES STILL STRONG

Reports in this past week tell of several Harrison County hog men that got $25 for 220 lbs. hogs this week. They report over $30 profit per hog compared to about $10 if they sold them as feeder pigs. Come in and let us figure a program for you on complete feeds and a possibility of paying for the feed after the hogs are sold.

HOT WEATHER POULTRY CHOWS

Every poultryman knows the effects of hot weather on feed consumption, egg production, egg size and shell strength. Purina Research has done something about it. The Complete Purina Laying Chows you feed this summer will be SEASONIZED...adjusted in formula to help counterbalance heat stress. This program will get more eggs from your hens this summer, help counterbalance heat stress, lower feed cost per dozen, and get better shell quality in hot weather. See us for the seasonized chow for your farm.

Junior Conservation Leaders

Claudia Marshall, left, and Gail George will represent Nicholas County at the J.M. Feltner Memorial Camp, near London, July 26-30, for training Junior Leaders in conservation. Miss Marshall, daughter of Mr. and Mrs. James C. Marshall, and Miss George, daughter of Mr. and Mrs. Elgin George, were selected from a list of recommended students who are sophomores or juniors, possessed leadership potential, have interest in conservation, and who are willing to follow up and assist in promoting conservation in the county. Claudia, age 15, a junior in high school, is a Senior Girl Scout. She has been active in Girl Scouts for five years and has earned a "Program Aid Badge." In Future Homemakers of America she won the Junior Degree award. She is a member of the Pep Club and the National Science Club. She has attended 4-H Club camp. Gail, age 16, will be the new secretary in the Future Homemakers of America when school starts. She has won the "Junior Homemakers Degree" and will be working on the "Chapter Degree" this year. Also, she belongs to the Tri-Hi-Y club in her school. She attends the Blue Licks Christian Church.

Mobile X-ray Here July 29

The Elks Mobile chest x-ray unit operated by the State Department of Health will be in Nicholas County, Thursday, July 29. The unit will be stationed on the side of the Nicholas County Health Center, Highway #36, Carlisle. Hours of operation are as follows: 9 a.m.-12 noon; 1 p.m.-3 p.m.

Those eligible for chest x-rays must be 18 years or over. Persons under 18 years of age may be x-rayed if they have a positive tuberculin test or are referred by physician.

Dr. B. F. Reynolds, Health Officer, urges all foodhandlers, teachers, bus drivers, and all persons working with the public to take advantage of the Elks Mobile Chest x-ray unit.

Burley Growers Meet

At a fish fry held Tuesday night at the Moorefield School, sponsored by the Moorefield Branch Bank. Talks were made by Albert Clay, Mt. Sterling, past president of the Tobacco Auction Warehouse Association, now chairman of the board, Mr. Clay spoke on the acreage-poundage program and what can be expected in the future. Also speaking to the nearly 160 farmers assembled, was Ira Massie, University of Kentucky tobacco specialist, on the over-all future of the burley tobacco program. Shown from left, Estil Noffsinger, Nicholas County Extension Agent; Mr. Clay, Mr. Massie, W. J. Clark, Frank Weaver and Joe Blount, manager of the Moorefield Branch Bank.--Elder picture

Rotary Official To Address Local Rotarians Tonight

William K. Henry of Georgetown, governor of district 674 of Rotary International, world-wide service organization, arrives here today to visit the local Rotary club, one of the 41 clubs in his district. He is scheduled to address Carlisle Rotarians at their meeting, and will confer with Estil Noffsinger, president of the local club, and other club officers on Rotary administrative matters and service activities.

A member and past president of the Rotary Club of Georgetown, Mr. Henry is in the Real Estate business. He was elected a district governor for 1965-66 at Rotary's 1965 convention in Atlantic City, New Jersey, last June.

Noffsinger, president of the local Rotary club, in explaining the purpose of the official's visit, said, "The governor of this district will be here as a counselor and adviser. We will discuss with him our plans for the year and such matters as expansion of membership and ways of further implementing Rotary's program of service. He will also give us here in Carlisle an insight into the global Rotary organization."

EXTINGUISH BLAZE--The Carlisle Volunteer Fire Department answered a call at 1:45 p.m. Monday at the rear of the Carlisle Stock Yards to put out a fire in the automobile of Roy Hunt. Cause of fire was undetermined. The car was a total loss. Shown are Charles Fay, fire chief, and Calvin Denton with the hose.--Elder pic

Babe Ruth League Ends Local Play

The Nicholas County Babe Ruth League has just completed their summer ball schedule.

First place winner was the Vets; second, the Giants.

For the first time, this year, two teams will journey to Ashland to play in the tournament on July 23. The 13-year-olds playing at 4 p.m. and 14-15-year-olds at 7:30 p.m.

James Gill, president of the League states, "It would be nice to see some of the mothers and fathers of these boys at the game."

BGK Sign-up Ends Saturday

LOOKING FOR WORK--From left, Mrs. Arnold Payne watches her husband Mr. Payne , 60, sign an application for work with Blue Grass Knitting Inc. Also signing is Lawrence Mullins, 24, Route 1, Cynthiana. According to Miss Sharon Ockerman, local registrar, over 230 persons ranging in age from 16 to 60, from six different counties have applied for work with Blue Grass Knitting, Inc. Nicholas Countains are ahead in applications almost two to one. --Elder Pic

Breathitt Farm Meeting For Area In Lexington Aug. 17

Frankfort, Ky., -- Governor Edward T. Breathitt today announced a series of August meetings to initiate implementation of his Commission on Agriculture's farm program at the county level.

The meetings are designed to inform farmers and agricultural leaders of the Commission's plans to raise farm income.

Total farm income in 1964 was $732 million. The Commission's goal is $1 billion annually.

In 16 towns, the Commission will present recommendations for improving farming efficiency to county Agricultural Stabilization and Conservation Service chairmen, Soil Conservation Service technicians, county extension agents, vocational agriculture teachers, farm bureau presidents and others.

They, in turn, will serve as resource people for their county groups or organizations.

The Commission's program recommendations were made by its individual committees and the University of Kentucky College of Agriculture in a production potential study of each county.

Meeting for Nicholas County will be August 17, at Lexington, 10 a.m., EST, U.S. Department of Agriculture Building, for Bourbon, Clark, Fayette, Harrison, Madison, Montgomery, Nicholas, and Scott counties.

FARM BUREAU ANNUAL MEETING

The Nicholas County Farm Bureau will hold their annual meeting with a fish fry Tuesday, July 27, Beginning at 6:30 p.m. at the old football field. Following the fish fry there will be an election of officers and the crowning of the King and Queen. All members are urged to attend this meeting.

Debbie Morrison Suffers Injury

Miss Debbie Morrison, daughter of Mr. and Mrs. Jack L. Morrison, suffered a concussion last Wednesday evening, when the driver of a car upon which she was seated scratched-off in attempt, it was reported to frighten the young lady.

Miss Morrison struck the back of her head, the wound required seven stitches to close. Monday she was reported recovering fairly well.

TRAP SHOOT

The Nicholas County Fish and Game Clubplans a trap shoot for Saturday evening, July 24, at the club house on Hickory Ridge Road.

WATER RACE

A water race and coon on log feature will be held Sunday, July 25, at 1:00 p.m. The affair is sponsored by the Nicholas County Fish and Game Club.

Industrial Meet Snapshot

Some 250 development leaders from throughout the state attended the first annual Kentucky Industrial Development Institute held last week, July 12-17. Shown here, from left, are; Grant McDonald, Lexington, president of the Kentucky Chamber of Commerce; Charles Cox, president of the Carlisle-Nicholas County Development Corporation; and Commissioner of Commerce Katherine Peden. McDonald is presenting a certificate to Cox for completion of the institute course. Photo was snapped at the University of Kentucky session of the institute at Lexington. The two-day workshops were co-sponsored by the Kentucky Department of Commerce and the Kentucky Chamber of Commerce.

Teachers Group Names Delegates

The executive committee of the Nicholas County Teachers Association held an organizational meeting Monday evening, at the home of Mrs. R. L. Talbert, president. Plans for the coming year were discussed and committees appointed.

Mrs. Talbert and Mrs. Elizabeth R. Clay, president-elect will represent the organization as delegates to a Leadership Conference August 9-10 at Bowling Green. Miss Louella Huddleson, is alternate delegate.

OFFICES MOVED

The Nicholas County Public Assistance offices have moved from the courthouse to offices in the City Building
