Alumni Banquets Are Well Attended

NCH Alumni Honor Wesleys

One hundred and sixty-five persons attended the Annual Nicholas County Alumni Banquet, which was held at the high school cafeteria Saturday, May 27.

Following a welcoming address by Bob Barlow, principal of Nicholas County High School, Mrs. Emmett Darrell, Alumni president, recognized the guests and alumni. Special emphasis was given to the reunion classes of 1935, 1945, 1955 as well as the newest alumni, the Class of '65, who were introduced along with an outstanding accomplishment each had made while at NCHS.

Mrs. Darrell also presented the Outstanding Senior Award, which is given each year by the Alumni Association to an outstanding senior who is selected by the NCHS faculty. Sharon Ockerman Valedictorian of the Class of '65, was the recipent of the award.

Jimmy Judge, alumnus and past president of the Alumni Association, gave a testimonial honoring Raymond Wesley , who has given 19 years of service to the Nicholas County School System. During his talk, Mr. Judge stated, "Tonight I want to pay tribute to a person who has done more for Nicholas County schools than any other person. In fact, I don't know anyone who qualifies as a close second." He went on to list the many improvements made while Mr. Wesley has been superintendent. Mr. Judge then presented Mr. and Mrs. Wesley with an engraved silver tray from the association in appreciation for their 19 years of service to the county and its school system.

New officers for the 1965-1966 year were elected and are as follows: president, Luther Anderson; vice-president, Betty Moss; corresponding secretary, Mrs. Ralph Brookshire, recording secretary, Carl Will; treasurer, Stanley Rose; chaplain, Gaylord Gillispie.

Carlisle Alumni Fetes Miss Talbert

One of the largest crowds in alumni banquet history attended the Friday evening fete in honor of Miss Nancy Talbert, retiring school teacher and school administrator.

The Class of 1916 won the cup for having the largest percentage of its members present, and the Class of 1915 of which Miss Talbert was a member was also recognized.

Several letters of tribute to Miss Talbert were read, including a letter from Governor Edward T. Breathitt, who commissioned her a Kentucky Colonel.

Dr. B. F. Reynolds and Miss Mary Frances Fisher, the latter a former elementary teacher in the Carlisle school, were presented flowers for being the oldest alumni there.

At a business meeting which preceeded the banquet, Alumni Association officers for the ensuing year were elected. They are; Don Hughes, president; Paul Guthrie, vice president; Mrs. Jewel K. Vice, secretary, and Custer Blair, treasurer.

MARCHING ACROSS FIELDS

Another pest has hit Nicholas County alfalfa and grain fields. Army worms shown about have damaged several acres of alfalfa and grass on the H.C. Caswell farm. He had them sprayed by a custom operator using parathion at the rate of one pint per acre. Other materials which can be used are Diedrin and DDT. Army worms are about two inches long, about the size of a cut worm and are light green, gray of black in color. They attack corn, small grain, grass and clover.

HORNED TOAD or JUST LIKE ONE

Mark and Miles Hughes, sons of Mr. and Mrs. Frankie Hughes, are shown with a horned toad they found in their front yard at their home on Elm Street. Miles is holding the lizard which didn't object to being pictured, although it is hard to distinguish the toad. It has several hornlike spikes on its head, and a broad flat body covered with spiny scales. Someone from Texas offered to purchase the reptile, but the boy's would not sell, although their parents wish they had.
