My Visit at 4-H Leadership Conference

This past week it was my honor to attend the 42nd 4-H Leadership Conference at the University of Kentucky. It was truly a week of learning about leadership and how each individual can take part.

Our conference was set up as a legislature. We had sessions in the Senate and House Of Representatives. I attended the Senate sessions and debated the issue entitled "Appointment of Cabinet Officers by the Governor Versus Election by Popular Election by the People". In our sessions we learned how our government works and how to pass a bill. We discussed our bill and even proposed a resolution. We proposed that the governor should appoint his cabinet but two-thirds of the legislature must approve his appointments.

Each evening I took part in the vesper choir for the inspirational service. In our choir practice we prepared the programs and hymns. Uncle Sam was our evangelist for this week. He, along with our song leader and pianist, made our practice session a time for fellowship.

I attended another session "People to People" (our European trip) - offered to outstanding 4-H'ers. They told us about touring European countries which included three communist countries.

In the session, "Out of State Exchange", we discussed how to apply for state exchanges.

On Tuesday I went on a career tour in housing. I went through the Medical Center. It was really interesting. We were shown the ward and how the patients work in it. After that we went to

Mr. and Mrs. Conrad Feitner's new home.

Here we were shown a new home and how it was designed to fit a family's needs. Mrs. Gladys Lickert led our tour.

I think the main thing I enjoyed was learning more about 4-H work and the many friends I made. I would like to thank the 4-H Council and the homemakers for paying part of my expenses. I hope I will get to attend next year.
