Let's Give It "Heart"

Congratulations are in order to members of the Johnson-Mathers, Inc., board, county and city officials and all who contributed in any way to the material building of a modern, beautiful facility decorated--and Home for the Elderly.

Campbell County Judge A.J. Jolly means that it is the duty and responsibility of every citizen of Carlisle and Nicholas County to see that and for forgotten people. Modern surroundings do not take the place of kindness, friendliness and compassion.

Thanks Expressed for Vote Turn-out

The Nicholas County Tobacco Refund Commission expresses deep appreciation to the Carlisle Mercury, inform the voters, and all who contributed financially to get out their vote in Nicholas County. Lovell Hollar, chairman of the County set a record for number of votes and was about four times the normal vote in past referendums.

and every business or group that helped do so in a fine way. The names of those who contributed are being compiled and will be published in the next issue of the Mercury. Names of writers will be published from public information, if specific request is made that this be done. Letters should be brief and to the point. The Mercury reserves the privilege of cutting letters long.

Farm & Home

Spending for all major categories of family living has increased, but there has been a decrease in the amount spent for food. In 1960-61, the amount spent for food in rural families living in the county was \$1,000, but only 26 per cent in 1960-61.

1960-61 than in 1950-51 percent was spent in 1960-61 compared to 11.6 percent in 1950-51. Family spending patterns are being important in what families consider families use their incomes in exacting the same way. It is useful to know how the "average" family spends.

There are now two new 4-H Clubs at the Headquarters School. They were organized last month in Mrs. Grimes' group project. They will be studying and growing plants, fruits, vegetables, and other things. The club members are encouraged to participate in the Junior Division. Club members needing assistance can contact the County Extension Office for assistance.

Some subjects already selected are: Make Kentucky Beautiful, Wildlife Conservation, How 4-H started, Travel in the Space Age, Respect for the American Flag, and others. All club members are encouraged to participate in the Junior Division. Club members needing assistance can contact the County Extension Office for assistance.

From the Diary of a Country Editor

SINGING IN THE RAIN. Through the steady roar of an April shower came the liquid lowed of the purple rain. The rain pattered on the eaves of the tiny cheerfully brave, secure in his belief in the sunshine that follows the rain.

"Singing in the rain!" How few of us have the faith which follows the sunshine behind the clouds. How rarely, after all, is the faith of him who

who arrogates to himself alone of all animals the possession of an immortal soul. The feathered friend, the unfriendly dog, his no doubt cheerful, secure in his belief in the sunshine that follows the rain.

Building Business

In metropolitan centers advertising specialists for retail stores are being advertised in New York is written by an advertising man in a trade magazine. The reason for the situation was explained as a result of a survey of the advertising industry in New York. Women control 80 per cent of the retail buying for American families.

Women buy more carefully than men. They read advertising, they enjoy reading advertising. A man is likely to be an advertiser for advertising advertising. Women buy more carefully than men. Thursday, March 8, 1963
The Executive Committee of the American Legion Auxiliary met Monday night and selected officers for the Recreation Center. Those elected were: Mrs. Frank Henry, chairwoman; Mrs. W. B. Murray, treasurer; Mrs. W. B. Murray, secretary; Mrs. W. B. Murray, secretary.

Work on building is in progress and it is hoped that the center will be opened at the earliest date possible. Citizens of Nicholas County are urged to give assistance.
