**Chairman Smart**  
During the past week as one read about the National Cherry Blossom Festival held in Washington on April 6, did you realize that a native of Carlisle played such an important part in that annual event? It is Ray Smart, son of Mrs. Mervyn Sugg, had the task to see that all went well at the second year Mr. Smart has been chairman of this year.

**Chairman Smart**

From an article in the Northern Virginia Sun it was stated that originally from Kentucky, Mr. Smart of Falls Church, Virginia has rapidly become one of Northern Virginia's leading citizens. Mrs. Smart stated that her husband's hobby is being on committees. He also holds important official positions in the many organizations which he belongs.

Other states in which he has been called to serve are Kentucky, Tennessee, North Carolina, Virginia and West Virginia. Mr. Smart is a graduate of Nicholas County High School.
