FROG GIGGING

Frankfort -- Kentucky's frog gigging season will open May 15 and continue through October 31 with the bag and possession limit unchanged from last year, Minor Clark, commissioner of the Department of Fish and Wildlife Resources, announced today.

Hunting may begin at one minute after midnight on opening day, but the bag and possession limit will apply on a noon to noon basis. The bag limit for this 24 hour period is 15 while the possession limit is 30 after two or more days of hunting, the commissioner points out.

Frogs may be taken with a gig, by hand or rifle or bow and arrow and either a hunting or fishing license is required. If taken by rifle or bow and arrow a hunting license is required, while a fishing license is sufficient for any other method of taking.

Ladies Are Honored

Lexington TROTS

A full week of special events and activities added to a complete program of topnotch harness racing is the plan for this week at the Lexington Trots night spring meeting, according to plans released by track president Harry B. Miller and general manager Walter S. Gibbons.

Everything from free nights for ladies to Top Value Stamp giveaways is in the works with each one of the five nights earmarked as a "special".

Tuesday evening will be the regualr free admission Ladies Night with two portable TV sets to be given away after the ninth race.

On Wednesday evening, the first free "Men's Night" will be held with free admission offered to the male sex. Later in the evening an expensive suit will be given away complete with shirt, tie, and shoes of the winner's choice.

Thursday evening will mark a first for harness race tracks in Kentucky as the most popular premium stamps on the market today, Top Value Stamps, will l be biven away to the ladies as they redeem looking tickets which will be purchased at specially marked $2 win-place-show windows.

20 stamps will be given to each losing ticket.

On the racing side of the ledger, ten races are planned for Friday and Saturday evenings in order to take care of the large number of horses stabled on the grounds. Tried out for the first time during the past week, the added race has proved to be very popular.

Fred Bach, the genial driver now living in Lexington, is still on top in the winning driver competition and the effects of his large 48-horse stable are being felt by the leaser groups.

Both Gibbons and Miller stated that all of the special nights would be continued in the future should they prove popular with the fans.

With racing at a high plane the entire week was on a festive level as pre and post Derby parties kept the "Red Mile" Clubhouse full of out-of-town guests and visitors.

Frank Hardy, an unassuming young man from Philadelphia, Miss., showed that his stable was ready to race as he wound up with 7 victories for the first week to capture the leading driver's crown. Freddie Bach, who had but 12 last year when he took the honors, was right behing him with 6 big ones.

General Manager Walter S. Gibbons had the entire plant of tip top condition with the track itself in excellent shape. The latter point was underscored as anew national season's record for 2 year-old fillies was chalked up by veteran Frank Ervin with his wife's Good Time youngster, Good Candy.

Hardy's wins have come through several "hard-knocking" aged horses, mostly owned by Jack Gray of Lebanon, Ky. A good example of the type is Bonnie Can, a 9-year-old pacing mare. A winner last Thursday, Bonnie Can started 31 times in 1964 and was in the money on 19 occasions. Track experts claim that this type of horse is responsible for the success of racing ways.

From the stand point of management, the first week has been far from a disappointment. Harry B. Miller, Jr., newly appointed president of the
