SNOOZING AT SUPPER?
Little folks often get too sleepy to finish dinner. But if you too find that all you want to do is head for the Sandman at dinnertime, you may be cheating yourself and your family. Don't gamble; see your doctor for a checkup. We'll follow through on his instructions.

Thank YOU
Let me express my appreciation to the many people who worked so faithfully for my reelection. And for those friends who had confidence to again elect me as your County Attorney.
