Sergeant Donald Haney, Route 2, Carlisle, has been selected to become one of the three Howitzer Section Chiefs authorized in the Carlisle National Guard. In his new assignment he is responsible for the operation and training of his section and the maintenance of the section equipment. The section fires one of the Battery's 155MM Howitzers during field maneuvers. Sergeant Haney began his Guard training in 1960 as a Cannonner, later became a Driver and most recently was assigned as Gunner in the Howitzer Section he now leads. Sergeant Haney is employed as a time study engineer for Blue Grass Industries in Carlisle. He is a 1960 graduate of Nicholas County High School. The son of Mr. and Mrs. Dennis Hays of Carlisle, Sergeant Haney is married to the former Malinda Moore of Carlisle. They have one son, Gregory Cameron, 3.

Kindergarten Kappers
The Carlisle Kindergarten started Oct. 4, with 19 children enrolled. The Kindergarten is now in its fourth year. This has been such a busy month for us that we hardly know where to start. One of the things we have enjoyed the most in Kindergarten is finger painting. We wore old shirts of our daddy's so we would not get paint on our clothes. We certainly did look funny in them, but it was such fun. Miss Dottie hung a branch from the ceiling and we brought "signs of fall" such as colored leaves, acorns, bitter sweet, gourds and many other things to Kindergarten. One day some of the children brought their pets to share with us at the "share and tell time". Mark Terrell brought a

certification at the close of the School. Subjects on the program will be taught by engineers of the Sanitary Engineering Program and the Water Pollution Control Commission and invited guest speakers. It is the aim of the Water and Sewage Plant Operators' School to improve the service of public water and sewage treatment plants throughout Kentucky. In speaking of the importance of the school, Nick Johnson, director of the Sanitary Engineering Program, said, "The proper operation, maintenance and management of the water and sewage treatment facilities represents a vital link to the good

Program on Hawaii
Miss Myrtle Weldon, retired state leader of home demonstration programs, recently presented a program on Hawaii to the Nicholas County homemakers. Her slides and talk included the topography, educational facilities, various churches, the government, flowers and trees and festivals. Miss Weldon was state leader of Kentucky Homemakers Association for 31 years. During this time she won the love and respect of each member of this organization. From left, Mrs. Margie H. Wilson, home agent; Mrs. Maurice King, vice-president; Miss Myrtle Weldon, Mrs. George Dale, county president; and Lavina McFarland, area secretary-treasurer.
