**IGA MAGIC! NEW TIMETABLE FOR FOOD ROASTING TABLETITE TURKEY**

Tabletite Turkey is as American and traditional as the Constitution and Plymouth Rock. The roasting time for cooking turkey has been cut down considerably. Extensive research in the Test Kitchens of the Food & Egg National Board confirms this. Remember, this is merely a guide to help you:

Purchased Ready-To-Oven (No Preheat)	Interior Temperature	Roasting Time	Guides to Total Roasting Time
4 to 8 lbs.	325° F.	2 1/2 hours	2 1/2 hours
8 to 12 lbs.	185° F.	2 1/2 hours	2 1/2 hours
12 to 16 lbs.	185° F.	3 to 3 1/2 hours	3 to 3 1/2 hours
20 to 24 lbs.	185° F.	4 1/2 to 5 1/2 hours	4 1/2 to 5 1/2 hours

Turkeys roasted in foil take less time, but in a hot oven...  
 4 to 8 lbs. 450° F. 185° F. 2 1/2 hours  
 8 to 12 lbs. " " 2 1/2 hours  
 12 to 16 lbs. " " 3 1/2 hours  
 20 to 24 lbs. " " 4 1/2 to 5 1/2 hours

We homemakers buy Tabletite and plan to start bird 20 to 30 min. ahead of schedule to avoid possible delay. Allow time for turkey to cool, make gravy and arrange attractively on platter, surrounded with broiled peach halves, cavity side up, filled with white cranberry sauce. For better looking pies, IGA Brand Pumpkin and Mince Meats stand the test. Don't forget IGA Mints, Tabletite Egg Nog and Holiday Specials.

A HAPPY THANKSGIVING TO YOU AND YOURS

and gave the devotional. The song, "For The Beauty of the Earth" was sung, and following reports from various chairmen, the lesson on Christmas ideas was given by Mrs. Charles Hopkins and Mrs. Russell Shroff.

Delicious refreshments were served by the hostesses, and plans were made for our next meeting Dec. 10.

Devotional was given by Mrs. Joe Smart, who also read a poem entitled "Loom of Time." During the business session, Mrs. Ham, president, asked about having a float in the Christmas parade, but the club voted negatively. A committee was appointed to "listen" for suggestions for next year's program. A local project was discussed for the club members to carry during the next six weeks. Our annual Christmas project of remodeling old or lonely folk also was discussed.

We were led in singing the Doxology by Mrs. Ham. A report on jazz music its origin and different types was given by Mrs. Herman Vice.

Recreation was led by the game leader, Mrs. J. S. Wilson. The lesson was on Christmas ideas. Mrs. Hamm brought many suggestions, several articles which she had made. Members brought some ideas they had seen and made. Mrs. Jack Decker showed some beautiful gift wrappings, using home-made tissue stickers, bows, twisted ribbon, and other ideas.

The Christmas meeting Dec. 2 will be at the home of Mrs. Howard C. Cinderella. Sisters will exchange gifts.

Mrs. W. J. Clark, Pub. Chairman.

Carlisle West Homemakers Meeting. The Carlisle West Homemakers Club met at the home of Mrs. Robert Boone, Friday afternoon, Nov. 12, with Miss Lucille Hunt as co-hostess.

 Sergeant Sanford C. Graves, Jr., Millersburg, is Battery C's new Ammunition Section Chief for the Carlisle National Guard. His section is responsible for obtaining and supplying all ammunition necessary for the 155 MM Howitzers assigned to the unit.

Sergeant Graves first enlisted in the Regular Army in 1955. He served on active duty for nearly three years and has been associated with the Carlisle National Guard ever since. In the Carlisle unit he has held assignments as Machine Gun Sergeant, Howitzer Section Chief and most recently, the Assistant Section Chief of the section he now controls.

Sergeant Graves is married to the former Mary Bush of Bourbon County. They have two children, Paulene Elaine, 13, and Julia Ann, 3. Sergeant Graves is the son of Mrs. S. C. Graves, Sr. and Mr. H. C. Graves of Millersburg.

He is employed by the Lexington Army Depot at Avon, Kentucky.

playing together. We ended our busy month of October with a Halloween Party.

It doesn't make any difference how you earn a living, soil fertility is something that affects you. Much of our country, state, and national property is wrapped up in soil fertility. If you're in business with things to sell or buy, soil fertility affects you directly. Four soils mean low income to farmers because they're unable to produce their crops at an economical cost. Rich, fertile soils mean high income to farmers because they can grow crops profitably. If you sell cars or farm machinery, and a farmer needs a car or a new tractor, but is unable to buy it because he plants crops in infertile soils, you're affected directly, too. That's why soil fertility is not wholly the farmer's concern, it's just as much concern to the homemaker and the man who works in the office, factory, and store. Rich soils can mean more cars, better homes, better schools, finer churches, and higher income in every county in short, it's everybody's concern.

Rats are expensive free-loaders that cost poultrymen millions of dollars each year. Each rat probably costs at least ten dollars a year. A rat eats one-third as much as a laying hen but will contaminate ten times as much feed as it eats. Rats cause an estimated 25 percent of the fires of undetermined origin. They destroy about 200 million bushels of grain each year. Rats also carry many diseases—and are a factor in the spread of the salmonella organism. Chances are that you board more of these unwelcome guests than you

Don't follow the leader... drive it. '66 Dodge Monaco.

You want performance, comfort, and lots of glamour at a reasonable price? Well, make meet Monaco... the most dazzling car in the '66 Dodge lineup of dazzlers. Here's a car that's got everything—and we mean everything—except a ridiculously sized price tag. That's where we become very modest. In addition to all the plush appointments and fittings that come standard on Monaco, there's a whole lot of practical items that are now included in the list price instead of costing extra. Things that make you feel safer at the wheel. An outside, rear view mirror. A padded dash. Variable-speed windshield wipers and wipers. Backup lights. Turn signals. Seat belts, two front and two rear. Come on and see a little. Step into any of the new Monaco Series wagons, hardtops, or sedans.
