

Sunnyside Homemakers
Mrs. East Lecher was hostess to the Sunnyside Homemakers Nov. 11, with seven members, two visitors and Mrs. Margie Wilson present.

The president, Miss Lavina McFarland called the meeting to order. The roll call was answered with "A Thanksgiving food." The devotion was given by Mrs. Sam George. Miss McFarland told about the Area District meeting held in Lexington, Nov. 1. We are glad to have Mrs. Bonnie Cummins join our club. The lesson "Christmas Ideas" was given by Mrs. Stanley Alexander and Miss McFarland, on how to decorate without too much expense.

Our club visited the Nursing Home and took a treat and had a little program. We all enjoyed having Mrs. Mae Fry play the piano. The club also made Miss Ellen Dwelly a sunbath box.

WHAT A DIFFERENCE a fence and a year make!! A year ago (in August) Harold Letton decided to develop a portion of this waterway "down to the fence". Lee Hall, bulldozer operator for Fred Jones, shaped the waterway designed by the Soil Conservation Service. In August, the waterway was treated at the rate of 50 lbs. of 10-10-10 fertilizer and 2 lbs. of Ky. 31 Phosca per 1000 sq. ft., under the provisions of the Agricultural Conservation Program.

These two photos were taken from the same spot last week. The top view is looking upstream and the other downstream. In most cases, a farmer's best land is along the waterways. Hundreds of acres of improved pasture in the waterways will result if unproductive, weed producing, crooked and eroding waterways are developed.

could make beautiful flowers with that antique look. A design was made and Mrs. Malcolm Willis received the flowers that were given as a door prize. We also sent a shut in the Johnson-Mathers Home. Want Ad? Results in The Mercury

Headquarters Homemakers
By Mrs. Reynolds Allison
Eleven members of the Headquarters Homemakers club and the judges in charge of the Wilson home agent, enjoyed the hospitality of Mrs. Warren Wilson at her home on Sycamore Hill, Nov. 11.

Mrs. George Dale gave the devotion.
Mrs. Evelyn Willa, president, presided over the business meeting. Roll Call was answered by naming a Thanksgiving Food I Enjoy. Mrs. Dale told about the area District meeting in Lexington, Nov. 1. Three from our club were in the chorus. Mrs. Boone Clark, Mrs. John Climbendard, and Mrs. Elmer Darrell.

Mrs. Wilson announced the Tobacco Festival and Christmas Parade plans. Various chairmen were called upon for reports. Each year our club helps some family at Christmas. Mrs. Willis, Mrs. Reynolds Allison and Mrs. James Snapp are on the committee to select gifts, fruit and candy.

After lunch the lesson on Christmas Decorating was given by Mrs. Allison and Mrs. Snapp. Before starting your decorating, you should decide the type of decorations you want in your home. The door piece, the mantel and other decorations should harmonize.

Different types and sizes of pine cones can be used in many arrangements, either plain or sprayed. As for color the muted greens and reds instead of the bright green and red are popular this year.

Everyone enjoyed the recreation planned by Mrs. Yeach Delaney with Mrs. Darrell and Mrs. Allison winning prizes. Adjourned to meet Dec. 14, with Mrs. John Climbendard. Each member will take an exchange Christmas gift.
