Put in electric heating, and
they'll treat you like a king

Your family will crown you "King for a Day" every day when you put electric heating in that new home. And it's not surprising. With modern electric heat they can all regulate their own rooms to the temperature they want—no more cold rooms too far from the furnace or hot rooms too close.

Your wife will appreciate the cleanliness and quiet of flameless, electric heat, and you can forget all those furnace and heat-

pipe maintenance worries. You don't have that expensive dryness either that's so irritating to nose, throat, and skin.

It may cost a little more but its comfort and convenience make it more valuable. Why not join the hundreds of new homes served by KU that are switching to electric heating? Remember—electric heat-ductless electric heat, and you can forget all those furnace and heat-
