TRACTOR DAMAGE BEING INVESTIGATED

Vandals did considerable damage to a tractor owned by the Nicholas County Development Corporation during the past weekend, and according to local officials the State detectives have been asked to endeavor to take finger prints to see if the persons guilty of this malicious vandalism can be apprehended.

The Board of Directors of the Development Corporation are considering employment of a private investigator in addition to the State detectives to further run down the culprits involved in this unlawful act, and they are also considering the offering of a reward for the apprehension of the guilty person or persons.

Band Boosters To Meet

The Band Boosters will meet Tuesday, Nov. 2, at 7;30 p.m. in the Teen Inn. All old and new members are asked to be present.

NC Overpowers Panthers, Meets Danville Tonight

The Nicholas Bluejackets overpowered the Ludlow Panthers Friday night, Oct. 22, in a 20-7 victory. Nicholas controlled the game from the opening kick-off and was forced to punt only once during the contest. The Jackets held their opponent scoreless while they scored in first, second, and third quarters. Ludlow tallied their points in the fourth quarter.

LHB John Hamilton ran 28 yards for the first touchdown of the game. FB, Mike Dotson added the extra point. The Bluejackets added six more points in the second quarter as quarterback, Bill Hamilton marched his team 55 yards downfield with RHB, Logan Groves speeding over from the 3 for the score. Three plays after the opening kickoff of the second half, Hamilton displayed great broken-field running as he bulled, twisted, and zagged 65 yards down field for the Jackets third score. Groves added the PAT. Ludlow scored with 1:40 left in the contest as Pat Bruin sped 65 yards for the touchdown. Steve Modlin added the extra point.

Coach Gayle Bowen said, "All the boys played a good game." Linebacker, David Kerns, out since August with a broken arm, was a big factor in the Jackets victory. In the third quarter Kerns intercepted a pass to halt Ludlow's drive for score. The Panthers were unable to gain possession of the ball as Nicholas held it for most of the game. In 14 carries J. Hamilton moved the ball 153 yards. In 10 runs Groves gained 63 yards, and in 11 tries Dotson covered 42 yards. Every member of the team took part in the victory, as Coach Bowen substituted freely in the fourth quarter.

Nicholas County travels to Danville Thursday night, October 28, to meet Kentucky School for the Deaf on the Boyle County High School field in a 7;30 p.m. contest.

PRE-INDUCTION EXAMS SLATED

The following registrants of Local Board No. 77 will report to Cincinnati, Ohio on Nov. 3 for re-examinations: (It is now required that all boys who were examined at age 18 to be re-examined);

Garry Wayne Ritchie, Gary Gene Gaunce, Jerry Luther Linville, William Allen Stacey, James Henry Howard, William Earl Medley, Jr., Harry Leonard Henry.

A charter bus will pick up boys at 6;15 a.m.

LET A MERCURY WANT AD WORK FOR YOU

11 Reasons Why Citizens Should Vote Yes

Frankfort---Governor Edward T. Breathitt today listed 11 reasons why Nicholas County citizens should vote yes on the $176 million bond issue November 2.

"First and foremost, Breathitt said, "is the fact that the bond issue will allow improvements in all areas of Kentucky without any increased or new taxes."

Other reasons cited by the Governor were these:

* Roads---Passage of the bond issue will allow completion of the Interstate system and the Appalachian road system without drawing money from the rural and secondary road funds. Of the total $176 million in the bond issue, $139 million is allotted for roads. With Federal matching funds this will buy $736 million worth of new and improved roads for Kentucky.

* Education---Bond issue funds will provide for Kentucky a total of $21,950,000 for education---both colleges and vocational education, plus areas of special education. Matching Federal and other funds will bring this total to $95,385,000.

* Health---For some $3,500,000 in bond issue money a total of $10,800, 000 will be available to Kentucky for building local health and mental health centers, care of mentally retarded children and Tuberculosis Hospital construction.

* Agriculture---Of special interest to the farmer and local businessman is $2,100,000 earmarked for a statewide animal disease diagnostic laboratory and livestock sales pavilions; a continuing program to impound water for agricultural, industrial, municipal and recreational uses and new fire watch towers and forestry buildings. The latter will help provide an even better forestry program, benefiting the timberland owner by making more effective safeguards against tree damage from fire and disease.

* Fleming-Robertson-Nicholas Counties---From two miles north of Licking River to 1.5 miles south of Licking River; 3.1 miles; $1,906,000.

* Nicholas County---From 1.5 miles south of Licking River to 4.5 miles south of Licking River; three miles; $840, 000.

* Nicholas County---From 5.5 miles south of Licking River (near Mt. Mariah Road) to Ky. 32 near Millersburg; 1.6 miles; $320,000.

* Parks and Airports---For some $4,500,000 in bond issue money there will be available $9,000, 000 for development of at least two new parks and general improvements to existing facilities in all parks. Airports, increasingly important for industry-minded communities, will be allotted $505,000 which together with available Federal and local funds, will give Kentucky a construction program of $2,005,000.

* Corrections and State Police---The need to modernize correctional facilities both from a humane and economic viewpoint is met with some $2,900,000 allotted from the bond issue. State Police now operate from rented or leased barracks in some localities. To replace rented quarters, the bond issue has $300, 000 earmarked for new State Police barracks.

* Libraries---A building program of $1,665, 000 will result from the $645,000 for libraries in the bond issue. This will make possible grants to counties for local library buildings.

* Child Welfare---To relieve the overcrowded conditions at Lyndon Reception Center for delinquent and dependent children, the bond issue provides $450,000 for renovation and two diagnostic and evaluation centers elsewhere.

"Approval of the bond issue," Breathitt said, "means we can make these improvements now rather than waiting till the costs go up.

"For example, across the nation highway construction costs have risen about 25 per cent in the past 10 years.

"By selling these bonds and making the needed improvements now, the present generation can benefit without the imposition of new taxes."

KENTUCKY
combines old-fashioned charm with modern resorts and fine new highways for your vacation

Kentucky's bluegrass horse farms add interest to a Kentucky vacation.

Relax at one of Kentucky's 12 State Resort Parks.

Swim, sail, fish, or water ski on sparkling Kentucky lakes.

Mr. and Mrs. Paul Guthrie and Mr. and Mrs. Robert Coatney attended the University of Kentucky football game Saturday in Lexington.

Know Your Teachers Of Nicholas County

On the Carlisle Elementary School faculty we have two teachers who do outstanding work each year. They vie with other teachers in working up the most interesting projects, the most illuminating bulletin boards, and the most entertaining programs during the year. One of these, our 6th grade teacher Mrs. Fannie Ruth Snelling, is the "Grandma" of the faculty. She is literally a grandmother and also the oldest teacher in service years on the faculty. The other is the "baby" of the faculty, Mrs. Kathy Flowers. She is the youngest both in age and in teaching experience.

"Miss Fannie Ruth" as she is affectionately called by all her pupils, graduated from Midway School. Out of 30 graduates who received the coveted "Math" medal. Through the years she attended Eastern Teacher's College, the University of Kentucky and received her A. B. degree from Georgetown College with Cum laude distinction.

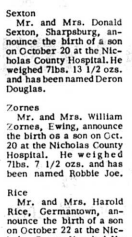
Mrs. Snelling began her teaching career at Mitchell and in the county system. After two years there she came to Carlisle City School for the sixth grade where she has taught consecutively ever since.

Many children have come her way through this grade and they always refer to the sixth grade as the highlight of their elementary school years.

Always on the alert for something new she has kept on attending summer classes. Recently she attended courses in "Better Reading Procedure" and is presently taking "Modern Math".

As president of the Carlisle City School P.T.A., she led the group in many worthwhile activities.

All her former pupils realize it was a privilege to have passed her way. Her influence will be everlasting.



Our baby, Mrs. Kathy Flowers was graduated in 1960 from Clinton County High School, Albany, Kentucky; a small town in the south central part of the state, located near Lake Cumberland and Dale Hollow Lake. In January 1964, she was graduated from Western Kentucky State College, Bowling Green, Kentucky. After graduation Kathy was employed by the Logan County School System where she taught the third grade during the second semester.

Carlisle was very fortunate when she joined the faculty in 1964-65 school term. She said, "Teaching first grade is a new experience every day" and expressed her appreciation for the helpful ideas and advice given to her by the Carlisle teachers. The first graders are very happy under her kind and gentle manner. Her patience is always inexhaustible.

About her work she says, "I have 26 pupils in my room. All of them are working very hard and seem very happy. Daily I can see much improvement in their work. Our projects for October are collecting and studying the signs of autumn and studying and making a bulletin board of community helpers. This month also we will be studying about Columbus and making things for Halloween. We are making plans for our Halloween party, October 29.

Births

Sexton

Mr. and Mrs. Donald Sexton, Shawsburg, announce the birth of a son on October 20 at the Nicholas County Hospital. He weighed 7lbs. 13 1/2 ozs. and has been named Deron Douglas.

Vows Spoken

Miss Jo Ann Sexton and Gary Fryman were united in marriage Thursday night be Rev. Frank Simons.

Mrs. Fryman is the daughter of Mrs. Pearlie Sexton of this county and Mr. Fryman is the son of Mr. and Mrs. William Fryman of Millersburg.

Mr. and Mrs. Jerry Henry were their attendants.

Mrs. Fryman is employed at Blue Grass Industries and Mr. Fryman is in the Armed Service.

Chorus Presents First Program

The Nicholas County High School Chorus, under the direction of Mrs. Alberta Atkinson, presented their first program to the school assembly Tuesday, Oct. 19, in the gymnasium. The two selections of the fifty member chorus were, "Lovely Appear" and "Now, Let Every Tongue Adore Thee."

Rev. August Peters of the Carlisle Baptist Church introduced the violinist, Rev. Carlos Gruber, Nacydoches, Texas. He played five beautiful selections. Among the selections, was "Latvia National Anthem" which was the national anthem of Latvia, Europe where Rev. Gruber resided for 16 years.

The guest speaker, Rev. Truett Miller, minister of the Middlesboro Baptist Church, was also introduced by Rev. Peters. He chose for his topic, "Final Examination," Kings 2;20.

SCD Contest Awards Listed

Cash prizes and airplane rides will be awarded Nicholas County Siol Conservation Essay Winners, according to Lovell Hollar, Chariman of the Nicholas County Soil Conservation District Board of Supervisors.

The State-wide contest entitled "Water--Its Effect on my Community," is sponsored by the Courier-Journal, The Louisville Times, WHAS and WHAS-TV, in cooperation with the Kentucky Department of Education and the Kentucky Association of Soil Conservation Districts.

$3,475 in U.S. Savings Bonds will be distributed among the state and county winners by the state-wide sponsors. Locally, the Nicholas SCD will contribute almost $100 in prizes.

State prizes will be as follows: $200 U.S. Savings Bond, 1st; $150 U.S. Savings Bond, 2nd; $100 U.S. Savings Bond, 3rd.

All three state winners will get an all expense paid trip for themselves their parents, and their teacher to the Farm Awards Luncheon in Louisville. A 24 volume set of Encyclopedia Britannica will be sent to the school attended by the winner of State Awards.

County Awards will be: 1st, $25.00 U.S. Savings Bond; 2nd, $10.00 Cash; 3rd, $7.00 Cash; 4th, $5.00 Cash; 5th, $3.00 Cash; 6th $2.00 Cash.

A free airplane ride from Lexington to Carlisle and return will be given to first, second and third place County Winners. A ride over Lexington will be awarded the 4th, 5th, and 6th place winners.

Grade Prizes:

The First and Second place winners in each grade will be awarded $2, and $1 respectively, where at least ten essays are written in the respective grade.

Any boy or girl enroled in grade or high school in Kentucky may enter the contest. Essays must not exceed 1,000 words, and they must be turned in to the school superintendent on or before midnight December 1, 1965.

Parents and teachers should encourage students to participate in this worthwhile contest. Educationally, students are sure to profit by entering the contest, and they may win cash prizes.

Questions should be referred to the teachers or to Soil Conservation Service Personnel.

SCOUT RALLY

There will be a Cub Scout and Boy Scout rally at Tenn Inn, Saturday, Nov. 1 at 7 p.m.

All old scouts, any new boys interested in scouting, former den mothers, and all other interested persons are invited to attend this important rally.
