LAST DAY - SATURDAY - REXALL - C - SALE Carlisle Drug

The Cincinnati Bible Seminary Chorus will present a concert of sacred music, "Worship Through Music" at the Carlisle Christian Church, 7:30 p.m., April 11. The program is sponsored by the Music and Worship Committee. The Chorus is under the direction of Assistant Professor Roy Koerner. Mr. Koerner received his education at the Conservatory of Music in Cincinnati. Mr. Koerner's talents and abilities are utilized in the music department of the Seminary. Mr. Koerner serves as Minister of Music with the Lockland, Ohio, Christian Church. E. Wayne Berry is choirmaster and received his education at

Cumberland River, below Wolf Creek Dam, near the site of an experimental but successful trout stocking operation which started in 1952.

The hatchery would supply trout for streams and reservoirs all over Kentucky, and help boost the tourist and travel industry, one of Kentucky's finest sources of business revenue.

Senator Cooper told the appropriations subcommittee that he thinks the Department of Interior "has been dragging its feet, and has not made the investigations and completed the studies it committed to do." Senator Cooper said the committee that \$50,000 was the expected need for the planning phase of the project, but it could be started for less than that.

The project has the backing of many Kentucky sportsmen and fish and wildlife supporters.
