## a special message to you who have WALNUT TREES

The George E. Tomlinson Company has been specializing in Black Walnut for over forty years. We truly appreciate good walnut timber and the landowners who produce it. In our organization we have men with many years of training and experience in Walnut production. If you are serious about Walnut trees at a valuable crop, we would like to make our services available to you. Should you have any questions concerning the planting, growing and cutting of Walnut trees, feel free to contact us.

We are always interested in buying Walnut trees. You can be sure that we will advise you honestly and correctly as to what should be cut and how it should be done to your advantage. Since we are concerned only with Walnut, you can depend upon us for the HIGHEST PRICE and the BEST SERVICE, including supplying seedlings to replace trees cut without cost to you. Your Walnut trees are a valuable crop... be sure of the people you work with and sell to!

Write or call on our salaried buyer in your area who will contact you without delay.

Our '66 Ford has one of the world's quietest rides... the strongest Ford body ever... a new-concept frame... and a unique suspension designed to take the thumps out of bumps. (With our family the quiet doesn't mean much. But it's nice to know the quality's there.)

You're ahead in a FORD all the way!
