CARD OF THANKS

I would like to thank each one who sent flowers, cards and food. Those who took me to the hospital, the hospital staff, Dr. Kingsolver, Mathers-Shearer, Bro. Lipscomb, and all who were so kind during the sickness and death of my husband. May God bless you all. Mrs. Elbert Dorton. 421-1t*

ORDINANCE

Be it ordained by the City Council of the City of Carlisle as follows:

1. It shall be the responsibility of property owners to replace at once all gas lines, between property line cut-offs and meters, which are found by the City Service Superintendent to be leaking or badly deteriorated, such lines to be replaced by coated pipe approved by said Superintendent.

2. It shall be the responsibility of property owners outside of the Carlisle City Limits to replace at once all gas lines, free from main lines to meters, which are found by the City Service Superintendent to be leaking or badly deteriorated, such lines to be replaced by coated pipe approved by said Superintendent.

3. All future gas lines laid from main lines or property line cut-offs to meters shall be coated pipe approved by the City Service Superintendent.

4. Failure of any property owner to replace a leaking or deteriorated gas line promptly shall result in discontintinuance of gas service to his property until proper replacement is effected.

5. This ordinance shall take effect from and after its passage and publication.

Passed by the City of Carlisle, Kentucky, this 12th day of April, 1966.
Attest: Ann G. Harper
City Clerk
Wm. Power
Mayor

MARVIN CASWELL
Purina Feeding Advisor
NICHOLAS COUNTY FEEDERS
Carlisle, Ky. Phone 1008

CONDITION COWS NOW

One sure way to keep body condition on cows after they have been on pasture for several months is to start feeding them Purina Golden Bulky. Golden Bulky has the vitamins, minerals and nutrition cows need to maintain body condition even in heavy milk production. Purina Golden Bulky can be mixed into your ration or top fed over your regular milking ration. Since there is six bushels of Golden Bulky in every 100 lbs. this product can stretch your corn supply. Get more milk this spring ... feed Purina Golden Bulky.

SAVE TIME AND MONEY

Why waste your valuable time and money taking grain to be ground, waiting until it's ready, then taking it home? Just call us. We'll bring you a Purina Checker-Mix or Complete Pelleted Ration in bag or bulk. If it's bulk, we'll auger it into your bins or right into your feeders if they are easy to get to. Let us take the lifting out of feeding by supplying your feed needs in bulk. We will be glad to work with you on planning a way for you to handle bulk dairy, hog, cattle or poultry feeds.

320-LB. CALVES IN 4 MONTHS

Two new calf rations — new, Magic Formula Purina Nursing Chow and new Purina Calf Starter — can help you raise big, husky calves months earlier than slow-poke sisters fed other ways ... and at lower cost too. New Nursing Chow contains extra energy and more digestible proteins that help get calves off to a fast, healthy start. It mixes in seconds, won't settle out, flows through nipple pails and automatics without clogging. New Calf Startena is higher in energy, lower in fiber, and more digestible than ever before. It keeps calves growing and gaining so they're big enough to breed at 12 to 15 months. Call or visit us when-ever you have calves to raise. And feed them the Purina way ... on new Purina Nursing Chow and new Calf Startena.

VEAL CHOW NOW AVAILABLE

Purina Veal Chow is now available at our store. Get vealers off to market fast with new Purina Veal Chow.

The Carlisle Mercury

Nicholas County Women Leading 'Double Lives'

(Special to the Mercury)

NEW YORK, Apr. 23–More women in Nicholas County than ever before are leading double lives—as home makers and as job holders.

In growing numbers, they are finding it possible to take care of their home responsibilities and still have had enough free time to permit them to do outside work.

Locally, an estimated 25.2 percent of the female population over age 14 are now employed, either part time or full time.

This ratio, high as it is, is below the national figure of 33.2 percent.

The most dramatic changes have been taking place among women in the over-45 age group, according to data compiled by the Bureau of Labor Statistics and the Commerce Department.

In the last 15 years there has been a 78 percent increase in the number of working women in that category.

Among women in the 25 to 44 age brackets, the increase was 22 percent during that period.

They have been taking jobs in factories, in offices, in restaurants, schools, hospitals and in every other line of endeavor that is not, by its nature, purely man's work.

In Nicholas County, the 25.2 percent now holding down jobs represents a noticeable increase over the proportion in 1960.

At that time, according to the Census Bureau, there were 613 local women employed, equal to 24.5 percent of the female population over 14.

As a result of the steady influx of women into the labor market, especially married women, considerably more than half the families in the United States are now receiving more than one paycheck each week.

What motivates married women to take jobs? Money is the answer in most cases, a survey shows. With some it is a matter of necessity and with others it is the desire to live on a better scale than they would be able to otherwise.

In many instances, also, the purpose is to save for a child's education or to pay off debts.

Sometimes money is not the principal motive. Women whose household chores are lighter because there are no small children at home may choose to satisfy a vocational urge or just to keep themselves profitably busy.

ONLY 4-H'ERS

A spokesman Monday for the University of Kentucky 4-H Extension Department proclaimed that only 4-H boys and girls attending the North Central 4-H Camp would be allowed the privilege of fishing in either of the two 4-H lakes.

If Sanitary Repairs Not Made Hdq. School May Be Closed

If conditions are not corrected at the Headquarters school, the Nicholas County Board of Health, has stated it will take steps to close the school until such a time as the repairs have been made.

A letter from the Nicholas Health Board to Acting Superintendent A.A. Page is as follows:

A. A. PAGE, Acting Superintendent
Nicholas County Schools
Carlisle, Ky.

Dear Dr. Page,

Due to the School Survey, made at Nicholas County Grade School in March, 1966 by J. W. Stewart, Regional Sanitation Consultant and John T. White, Nicholas County Sanitarian, of which you received a copy, we felt on behalf of the children and teachers health and safety, we should investigate this building.

On April 7, 1966, the Nicholas County Board of Health inspected the Headquarters building and sanitary School with the following findings. (1) The physical plant is in a poor state of repair, and is potentially dangerous to children and faculty. (2) Sanitary facilities do not meet minimum requirements. (3) There is a definite fire hazard particularly in the basement area.

We recommend the Headquarters School be inspected with in a reasonable time by a qualified engineer to determine the safety and possibility of repair to the physical plant. It is further recommended that Sanitary facilities be repaired and improved to meet minimum requirements as prescribed by the State Board of Health. If the recommendations are not fulfilled the Headquarters School will be

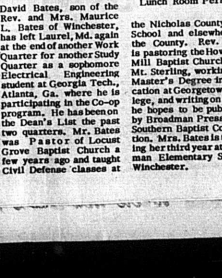
ROAD BID SOUGHT

Frankfort, Ky., April 27—Bids for bituminous surfacing on the Gallows Hill Road in Nicholas County will be received by the Highway Department on May 10, Governor Edward T. Breathitt and Highway Commissioner Henry Ward announced today.

The project will begin at the junction of Ky. 32, approximately 0.5 mile north of Carlisle and extend to the junction of US 68 approximately one mile northeast of the junction or US68 and Ky 32, a distance of 2.372 miles.

The Girl Scout Parent–Daughter banquet was held Tuesday night, April 19 in the 4 H Camp Dining hall. Approximately 300 Scouts, leaders, and guests attended. Senior Scouts: Delsey Thompson, Sally Cox, Sara Galbraith and Karen Morrison opened the program with a flag ceremony. Mrs. Billy Frey was presented a certificate of appreciation for her work in the Fall Round Drive by Mr. W. R. Kingsolver, representing the Wilderness Road Council board of Directors. The theme of the program was camping. Mrs. Douglas Tuttle, director of Judy Layne Girl Scout Camp, gave a slide presentation on camping in the Wilderness Road Council assisted by Mrs. Earl Scott, Camp Committee chairman for the Council, Kay Threlkeld, Lorrain Frey, Jane Ellen Talbert and Karen Watkins, four of the girls who have been to Camp Judy Layne, sang for the group along with Mrs. Tuttle and Mrs. Scott.



David Bates, son of the Rev. and Mrs. Maurice L. Bates of Winchester, has left Laurel, Md. again at the end of another Work Quarter for another Study Quarter as a sophomore Electrical Engineering student at Georgia Tech., Atlanta, Ga. where he is participating in the Co-op program. He has been on the Dean's List the past two quarters. Mr. Bates was Pastor of Locust Grove Baptist Church a few years ago and taught Civil Defense classes at

Conley Admitted To State Bar

Joseph H. (Jock) Conley was recently admitted to the Kentucky State Bar, being formally sworn in before the Court of Appeals on April 11, 1966. He is practicing in Carlisle with his father, Joe F. Conley, in the law firm of Conley and Conley.

Conley, a graduate of the University of Kentucky, attended law school at Salmon P. Chase School of Law where he obtained the degree of Juris Doctor. He is a member of the Ohio Bar, Carlisle Junior Chamber of Commerce and secretary of the Carlisle-Nicholas County Chamber of Commerce.

Mr. Conley is married to the former Joan Weissinger of Lexington and they have three children.

New P.T.A. Officers

At the recent meeting of the Nicholas County High School P.T.A. the following officers were elected. Mrs. John Sibert, president; Mrs. W. R. Buntin, Jr., vice president; Mrs. J. W. Ecton, secretary and Mrs. Billy Duncan, treasurer.

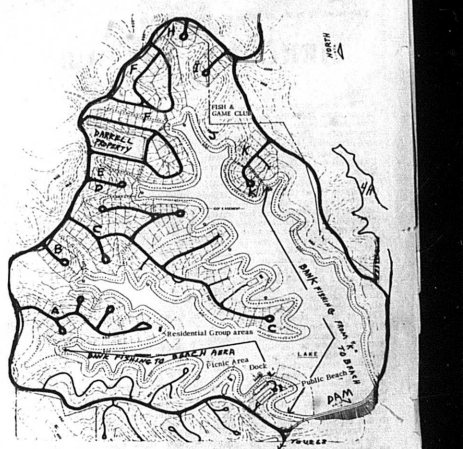
The guest speaker was the Rev. John A. Daniel, minister of the Carlisle Presbyterian church. Mr. Daniel reviewed the book, "Sin, Sex and Self-Control" by Dr. Norman Vincent Peale. Spiritual values were given by the Rev. Glenn Savage, pastor of the First Christian church.

The P.T.A. voted to give the Nicholas County High School Band a donation for the band trip to Virginia Beach.

Mrs. Glenn Clay, School Lunch Director, thanked the P.T.A. on behalf of the Nicholas County High School Lunchroom for the trays the P.T.A. purchased for the new cafeteria.

Bob Barlow, principal, Nicholas County High School announced that Baccalaureate service will be held Sunday evening, May 29; Class Night Thursday evening, June 2 and Commencement, Friday evening, June 3. Each will be held in the high school gymnasium beginning at 8:00 p.m.

Lake Carnico Fishing Begins Sunday; Public Area Marked



When the Lake Carnico dock opens at 6 a.m. Sunday morning, the 1966 season will have begun, and at this time the general public can marvel at the tremendous accomplishments that have occurred during the past five years in making the Lake Carnico recreation area available not only to Nicholas Countians, but to others.

The boat dock, a picture of which was published last week, has been hauled to its mooring point and ten boats purchased by the development corporation will be awaiting the fishing public's use as well as those who wish to view the area and its wooded hillsides ablaze with redbud, wild plum, apple, hickory and virburnum from the lake. There are places along the dock for the tying up of 20 additional boats.

Rental of the corporation's boats during operating hours is $3; the launching fee for privately owned craft is $1.50; boats may be left tied to the dock for $6 per month up to 16 feet. Motor size has been limited to 5 1/2 H.P. "no wake" operation and will be ridgedly enforced.

Fishing, that all important subject which has been on everyone's mind for the past year, will be governed by state wildlife rules and regulations as to size and bag limit. As can be noted on the map, those who wish to fish from the bank have been alloted a very large area—that is from the swimming beach to section "K" which follows the steep bank along the south side, and from the cove at the beginning of section "A" also down to the swimming area would be dangerous to the swimmers and of little value to the fisherman.

Bank areas beyond these named points are private property governed by the corporation and lot owner, and unless one has written permission from a lot owner, fishing from said frontage, will be countenanced as trespassing and dealt with accordingly.

Should the weather prove warm enough for swimming, the beach area has been improved. If the water is too cold, one might get the start on a good sun tan. Swimming will be at one's own risk.

Those who wish to make a day of it can either use the picnic areas or go to the Nicholas County Fish and Game Club which will be open and serving sandwiches, soft drinks and coffee.

Persons interested in lots may identify members of the corporation who have been asked to wear blue shirts with a red ribbon or bow, these men and women will be glad to show you around.

Numerous State officials have been invited to be present. The only cooperation needed now is the weather.

School Personnel Employed For 1966-67 School Year

The following employees were employed for the 1966-67 school year at the board meeting held April 16 by the Nicholas County Board of Education, D. P. Parsley, Superintendent.

Lunch Room Personnel, the Nicholas County High School and elsewhere in the County. Rev. Bates is pastoring the Howard's Mill Baptist Church near Mt. Sterling, working on a Master's degree in Education at Georgetown College, and writing on a book he hopes to be published by Broadman Press of the Southern Baptist Convention. Mrs. Bates is teaching her third year at Hickman Elementary School, Winchester.
