ORDINANCE

AN ORDINANCE ANNEXING TERRITORY TO THE CITY OF CARLISLE, KENTUCKY--BE IT ORDAINED BY THE BOARD OF COUNCIL OF THE CITY OF CARLISLE, KENTUCKY AS FOLLOWS:

That the following described territory be annexed to the City of Carlisle and incorporated in the boundary thereof, and that all persons and property within said territory be subject to all ordinances and regulations of said city.

Beginning at a point in the North right-of-way line of the Carlisle-Millersburg Road (Kentucky Highway No. 36), corner to Blue Grass Industries, Inc.; thence with the line of Blue Grass Industries N 21 1/2 E 2000 feet to a stake; thence N 26 1/2 W 396 feet to a stake; S 30 3/4 W 100 feet to a stake; S 63 W 200 feet to a stake; S 71 1/2 W 400 feet to a stake; S 63 1/2 W 200 feet to a stake; S 61 W 200 feet to a stake; S 43 W 100 feet to a stake; S 38 W 154 feet to a stake; S 20 1/2 W 159 feet to a stake; S 6 W 671 feet to a stake; S 63 E 80 feet to a stake; S 12 E 13 feet to a point in the North right-of-way line of said Kentucky Highway No. 36; thence with said right-of-way line in an easterly direction to the point of beginning. Said described area being property of Blue Grass Knitting, Incorporated.

After passage and publication of this ordinance, as required by KRS 81.010, the City Attorney shall file a petition in the Nicholas Circuit Court praying for the annexation of said territory to the City of Carlisle. Said petition and pertinent actions shall be pursued to a conclusion as soon as permitted by law.

Whereupon, on motion by Councilman Rich, seconded by Councilman Crouch, and by unanimous vote of the Councilmen present, this ordinance was passed and adopted this 9th, day of August, 1966.

This ordinance shall be effective upon publication as required by law and judgement of the Nicholas Circuit Court approving the annexation of said property.

Attest: William Power
Mayor of Carlisle
Ann G Harper, City Clerk

NICHOLAS COUNTY LIVESTOCK NEWS
by
MARVIN CASWELL
Purina Feeding Advisor
NICHOLAS COUNTY FEEDERS
Carlisle, Ky. Phone 1008

INVEST A DOLLAR TO MAKE EIGHT

With silage filling right around the corner we would like to discuss with you cattle feeders and dairymen how you can get back up to $8.00 for every $1.00 you invest in Purina Golden Bulky to add nutrient value to your silage. By adding only 100 lbs. of Golden Bulky per ton of silage you can increase the dry matter intake per cow per day from silage from one and one-half lbs. per 100 lbs. of liveweight to 2 and one-half pounds or more per 100 lbs. of liveweight. For a 1,300 pound cow, this would mean a 13 pound difference in dry matter consumption per day. It would take an EXTRA 8 pounds of grain to make nutrient intake comparable! Now if we figure grain at 2c per lb. this would mean 16¢ worth of grain for only 4¢ worth of Golden Bulky placed in the silage at filling time. This is figuring Golden Bulky at $80 /ton and adding 100 lb. per ton of silage. Now if we convert this EXTRA 8 lbs. of grain to milk on only a one to one basis and figure milk at $4.00 /100 we get 32¢ worth of milk for only adding 4¢ worth of Golden Bulky which is equal to $8.00 return for every $1.00 invested! Golden Bulky ADDS nutrient value to your silage. Golden Bulky absorbs seepage that can carry away up to 10 per cent of the nutrients in your silage... it's bulky and absorbent. Golden Bulky is high in molasses and fermentable carbohydrates. Golden Bulky helps eliminate undesirable odors. INVEST A $1.00 TO MAKE $8.00!

STRETCH YOUR CORN AND PASTURE

One way in which to stretch your corn supply and still not effect milk production is to add Purina Golden Bulky to your milking ration. Each 100 lbs. contains more than SIX BUSHELS of highly digestible nutrients. Purina Golden Bulky is high in Vitamins A & D, minerals and molasses. Cows love the taste of Golden Bulky. It gets the milk out that has been bred into her!

Rev. Swann To Lead Bethel Revival

The Rev. E.P. Swann of Maysville will serve as evangelist at the Bethel Methodist Church revival August 25 through September 4.

Rev Swann has been preaching the gospel of Jesus Christ for 42 years, all in the Methodist church. He retired from the active pastorate in 1960, and since that time has served a number of churches on a part time basis.

He last served the Minerva-Dover charge in Mason county as a supply pastor. In the course of his active ministry Rev. Swann has served 12 different charges in Kentucky. Now a member of Maysville Seddon Methodist Quarterly Conference, he and Mrs. Swann make their home in Maysville.

Rev. Swann is known by the many Kentucky people who have felt the power of his preaching and responded to the gospel he was talking about. Having been a Kentucky Conference member since 1924 he has seen many people shift their life to Christ and His work in the church.

The local pastor, Bob G. Ray extends a very cordial invitation to all to attend these services.

Supply Pastor

First Christian Church Rev. John C. Hanford, pastor of the First Christian Church, Brownsville, Penn. has been contacted about supplying the pulpit of the First Christian Church on August 21st. According to present plans he will be here to assist the church in locating a resident minister.

Last Sunday Mrs. James D. Wyker, Berea, was the visiting minister. She was a supply for her husband. This couple has for many years been active in the local work as in the outreach work of the church. Her inspirational message was enjoyed. She met several former friends among the congregation who were glad to fellowship with her again.

Physical Exam Requirement

All children who plan enter school this Fall in the first, fifth, and ninth grades, must, according to State Law, present a certificate of physical examination on their first day of school.

It is the responsibility of the parents to see that this requirement is complied with in order to qualify with school attendance laws.

This examination may be obtained from the Health Department or your family physician.

Deaths

Donald Mac Queen

Donald Mac Queen,80, died Sunday, August 15 at the Veteria Hospital, Miami, Fla., following a two month illness. He had made his home in Miami for 30 years and was a past superintendent of the Carlisle City School and a member of the Presbyterian church.

Survivors include his wife, Elizabeth Taylor Collyer MacQueen, Miami; one son, Donald, Orlando; two grandchildren, Mrs. Jerry Page, Clearwater, Fla., and Donald Mac Queen III serving with the U.S. Army.

Services will be held Thursday in Miami with burial in the Carlisle Cemetery when plans are completed.

Revival
Cassidy Methodist Church

Beginning Sunday, August 14, and continuing through August 21, the Cassidy Methodist Church will hold evangelistic services each evening at 7:30 p.m. The church, together with their pastor, Rev. J.M. Bevins, have secured Rev. O.S. Crain, pastor of the Wallingford Methodist Church, Fleming County.

Mr. Crain, a former member of the Kentucky Conference in 1953, recently returned to the Maysville Conference. He is a graduate of Asbury College, has also studied at Emory University, Atlanta, and DePauw University, Greencastle, Ind., and is well prepared to so evangelistic preaching.

The pastor and the congregation especially welcome, not only the immediate Cassidy community to attend, but also the surrounding congregations of Nicholas County. We seek your spiritual interest and value your prayers highly in this revival.

Master Conservationist

Mr. and Mrs. Glenn Clay were presented a "Master Conservationist Award" at the recent Nicholas and Robertson Soil Conservation District's Annual Meeting. Mr. Clay, a farmer and a hybrid tobacco seed producer has carried out more than ninety percent of the planned and needed conservation on his farm. The award was presented by Lovell Hollar, Chairman of the Nicholas County SCD Board of Supervisors. Dr. Adron Doran, President of the Morehead State University, the speaker, was heard by the 339 cooperators and guests at the meeting.

Murder Suspect Jailed In Bourbon County

Cash Clark, 51, Millersburg, is being held in the Bourbon County Jail charged with suspicion of murder in connection with the fatal shooting of Jack Allison, 61, also of Millersburg. No bond has been set as yet.

Allison was found shot in a barn near his home at 12:50 p.m. Sunday. He was rushed to the Bourbon County Hospital by M.E. Pruitt and Son ambulance, but was pronounced dead on arrival at the hospital.

Bourbon County Coroner, Bruce Forsythe said Allison was shot in the "left rib cage" by a 12-gauge shotgun.

Clark and Allison were reported to have been hunting earlier Sunday. The first knowledge of the shooting came to light when Clark drove to the home of Nicholas County Deputy Sheriff Emery Clark, who stated that the man told him Allison had been shot.

Coroner Forsythe said the Nicholas County deputy and Clark went to the scene and that the ambulance was called and Bourbon County authorities notified.

When Bourbon County Sheriff Reuben Arnsparger and Deputy Sheriff Dickie Brunner went to the scene of the fatal shooting Clark had disappeared.

Coroner Forsythe said the man came to the home of James Stone, Millersburg police chief, Sunday night. Bourbon County officials told the man to appear at the sheriff's office Monday. When he appeared he was charged with suspicion of murder and lodged in jail.

His arraignment is expected to be held in

Posthomous Award

Mrs. Frank C. Henry accepted the posthomous "Honor Award" to her late husband who served Soil Conservation District Board of Supervisors. The award was presented at the recent SCD cooperator's meeting at Blue Licks State Park in recognition of distinguished service to the Soil Conservation Board of Supervisors in promoting a Program of Greater Service to all our people in conserving and using wisely the soil, water, forests, and wildlife resources entrusted to our care.

Pre-Induction Call Sept. 1

Registrants will leave at 6:15 a.m. by charter bus.

CRIB, BARN BURN

Fire destroyed a barn and crib on the farm of William Hilander at Needmore. Lost were tobacco sticks, about 50 hogsheads and several tons of hay.

The blaze occured about noon Friday. Cause of the fire is unknown.

DEEDS RECORDED

Nicholas County Development Corporation, lot number 35 in section Of Lake Carnico Estates to W. D. Walden and wife.

City Needs More Money; Revenue Ways Suggested

The City needs more money! A point brought out at Monday evening's council meeting. Among the ways to raise revenue were an automobile tax, a trash collection assessment, and an occupational tax, (not to be confused with a payroll tax), Council deferred action on this matter until the next regular meeting.

In the meantime, money needed to operate in the General Fund, (a need that has existed about this time every year), was transferred from the Utility Fund in the amount of $2,000 on a motion by Dan Rich with the second from Richard Hunt.

Table Plumbing Code

Action was also deferred on a Plumbing Code for the City as recommended by Johnny White, local sanitation officer. The motion to table by Gayle Flowen was seconded by Hunt.

A complaint by Mrs. Vivian Scott calling council's attention to water and sanitary conditions near her home on Locust and Market Streets, received prompt attention. Motion by Rich, second by Bowen to fill holes in low areas on Market with gravel and to paint fence damaged by construction crews, carried. The unsanitary condition was to be called to the attention of the property owner concerned for correction.

Planning Unit

A letter from the Nicholas County Fiscal Court concerning the formation of a joint city-county planning unit was read as follows:

"On motion of Magistrate Ovel R. Day, seconded by Magistrate Joe Sapp, all others voting therefor, the Nicholas County Fiscal Court approves the entering into of a joint agreement between the City of Carlisle and Nicholas County to form a joint planning unit, provided the number of members on the planning Commission shall consist of ten (10) members, with the City of Carlisle through its Mayor appointing five (5) members thereto and Nicholas County through its Judge, appointing five (5) members thereto, with other questions of the joint program to be worked out for submission to their respective governmental units for approval."

The letter was signed

Roberts Recommended As Acting Postmaster By Rep. John C. Watts

Washington, D.C., Aug. 17—Congressman John C. Watts today announced the recommendation by him of George L. Roberts to serve as Acting Postmaster at Carlisle, Kentucky, upon the retirement of Postmaster Everett F. Planstiel. This recommendation is made with the definate understanding that Mr. Roberts will neither be considered nor an applicant for the position of permanent postmaster since he has stated he would not accept the position.

For the purpose of filling the vacancy at Carlisle permanently, and so that all interested persons might have opportunity to compete for this position, Congressman Watts has today requested the Post Office Department to notify the Civil Service Commission to hold an open competitive examination.

"After the examination is given," said the Congressman, "and the Civil Service Commission has established and forwarded a certificate of eligibles containing three names to the Department, I will contact a cross-section of all segments of the economy in order to obtain a consensus of their thinking and to determine which one of the three eligibles should be named."

Mrs. Atkinson To Teach At U of K

Mrs. Julian Atkinson, for the past year connected with the Nicholas County school system, and a former music teacher in the Fleming County school system, has accepted a position of instructor in the college of education, University of Kentucky. She begins on her new duties August 28.

Your ATTENTION is called to pages three and five and the messages thereon!

600 Black Croppie were put in Lake Carnico , Tuesday afternoon by the Dept. of Fish and Wildlife Division of Fisheries. Several interested local people watched the operation.
