SANTA PIERRE
By James Clyde
Pierre Lefebvre strolled with his hair and the lead water locked the door behind the last customer. The water came back to the table where Pierre was sitting and waited patiently for the sign to be finished.

TOAST 1967
Here's how! That familiar salute or toast is heard often during the New Year celebration. Every nation has its own way of presenting a toast to your health.

Greek God Cronus Becomes Time Symbol
Chronometry is the science of measuring time—a project that has interested man since his earliest days on earth.

Second Chance
If you should happen to be in the New Year arrive without making a new set of resolutions, don't give up. You'll have another opportunity.

May the New Year be good to you and yours...

Santa's Helpers
Santa is sometimes pictured as traveling by rocket or jet plane. However, his favorite mode of transportation is still the famous reindeer sleigh.
