This Bond is one of a duly authorized series of bonds (the Bonds of 1967) in the amount of Three Hundred Thousand Dollars ($300,000) numbered consecutively from 1 to 300, inclusive, issued by said City for the purpose of defraying the cost of constructing extensions and additions to the municipal waterworks portion of the combined and consolidated municipal water, sewer and gas system, and this Bond has been issued under and in full compliance with the Constitution and Statutes of the Commonwealth of Kentucky, including among others, Section 58.010 to 58.140, inclusive, of the Kentucky Revised Statutes, as amended.

The Bonds of 1967, as may be outstanding from time to time, are subject to redemption, at the option of City prior to maturity, in whole, or in part, in the inverse order of their maturities (less than all of a single maturity to be selected by lot), on any interest payment date falling on or after January 1, 1977, and in the event any of said Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed shall be given by publication at least once not less than thirty days prior to the redemption date, in a newspaper of general circulation throughout Kentucky, and in THE BOND BUYER, a financial publication in the City and State of New York, or its successor, and as may be otherwise required by law, and it is further agreed that should any of said Bonds be called for prior redemption as aforesaid, said City will pay the holders of the respective Bonds so called outstanding $531,000 of Bonds of 1964 referred to above.

Failing in accordance with Sections 12C and 18 of said 1964 Bond Ordinance, the amount required to be accumulated in said Depreciation Reserve is hereby required to be increased by the sum of $32,000.00, and the deposits of $400.00 per month required to be made in the Depreciation Fund shall continue to be made until there has been accumulated in said Depreciation Fund said sum of $32,000.00, which shall be maintained intact, and when necessary restored in accordance with the provisions of said Section 12C.
