Employees at Blue Grass Knitting are shown unloading a carton with one of the eight knitting machines Friday at the new plant. When in operation the machine will knit cloth for the Blue Grass Industries' plants in Carlisle and Mt. Sterling. The processing will include bleaching, washing, drying and chemical processing.

become inaccessible, except by boat. Walter Westworth, Chairman of the State Historical Marker Committee and Past-President-General of the National Society, Sons of the American Revolution, will preside at the ceremony.

County's Farms Continued from page 1 average value of the county's farms (land and buildings) in 1964 was \$23.57. Other important county:

bill for the year would amount to, if the total were uniformly divided among the local grocers, meat markets, delicatessens, bakeries and the like, reached \$1,213,000. An increase over the previous year's \$1,180,000. And this was only for food that was purchased for home consumption. It does not include the amount that was spent in restaurants and other dining and drinking places.

other home furnishings came to \$228,000, in 1964 they amounted to \$201,000.
