IN OUR TOBACCO REFERENDUM MAR. 10 OUR TOBACCO PROGRAM IS IN DANGER! A LARGE VOTE IS THE BEST SOLUTION

WHY VOTE FOR ACREAGE-POUNDAGE? Acreages of most farms will be 15 per cent smaller for 1966 unless growers choose to go to the acreage-poundage program.

WHO CAN VOTE? All land owners, operators, Tenants and Share-croppers. This includes wives who are joint owners or who shared in the production or proceeds of the crop.

LARGE VOTE IS NECESSARY! Since about 60% of the votes to be cast will come from Ky., we feel it is necessary to get a large number of YES votes than ever before in the history of the program.

WHERE TO VOTE? Community A—Headquarters at Barteville. Community B—Blue Licks Lodge Hall or Myers Voting Booth.

The best insurance for a continued economy is to Poll 100% of the eligible votes in Nicholas County. This is a responsibility of each Burley Grower.
