Ky. Credit Laws One of Best In Nation

Kentuckians are very fortunate in having one of the best Credit Laws in the Nation, according to Ivan Jett, executive vice president, of the Kentucky Retail Federation at Georgetown.

He said that even though Kentucky has an excellent law, the customer must assume certain obligations to be protected. He suggested never sign a contract without reading it carefully and fully. Insist that all details of the sale be in writing regardless of any verbal statements of the salesman. Never sign a blank contract or a contract with blank spaces in it. Always ask for a copy of the contract immediately after signing.

It is also a good idea to do business with a firm you know and one that has a reputation of giving good service and one that will be in your area in the future.

Beware of any salesmen who promises you a cash payment for referrals to your friends or who promises a credit on your purchases when he makes a demonstration to your friend.

Remember, when you sign a written contract all the terms and conditions are limited to what is written in the contract and verbal statements are worthless.

Fall Parks Program

Frankfort--Because of the success of the Kentucky Department of Parks' spring "Hobby Holidays" program, a similar schedule is being planned for this fall.

"We've had remarkable attendance at our State Parks for the numerous special events weekends thus far this spring," said Parks Commissioner Robert Bell.

He cited the fact that the second "Fishing Unlimited" weekend at Lake Cumberland State Park April 1-3 was complete sell-out and all accommodations were taken.

The fall program will include two more of the very popular fishing weekends at the same park, Bell said. Dates are Oct. 12-14 and Nov. 11-13. Other events planned, when and where, are:

* Fall Foliage Special, Natural Bridge State Park, Slade, Oct. 18-21

Phono-Scenic Weekend, Pine Mountain State Park Pineville, Oct. 21-23

* Square Dance Vacation, Cumberland Falls State Park, Corbin, Oct. 30--Nov. 4

* Square Dance Weekend, Cumberland Falls State Park, Corbin, Nov. 4-6

* Duplicate Bridge Weekend, General Butler State Park, Carrollton, Nov. 12-14

* Square Dance Vacation, Cumberland Falls State Park, Corbin, Oct. 30--Nov. 4

* Duplicate Bridge Weekend, Kenlake State Park, Hardin, Nov. 12-14

* Thanksgiving Buffet, all open parks, Nov. 24

Bell indicated the fall program could be expanded and special weekends added if there is enough interest and demand.

"We are interested in providing what Kentuckians want and we would be happy to receive their suggestions on additional special events," Bell said.

Letters containing recommendations may be sent to Julian Walker, division of recreation, Department of parks, Frankfort.

Reservations for the fall weekends are now being accepted, Bell said.

Information can be obtained by writing or phoning the Central Reservations Information office in Frankfort (area code 502, phone 223-2326) or by contacting individual parks directly. Toll free calls may be made from the metropolitan centers of Louisville (583-9796), Lexington (252-4913) and the Covington-Cincinnati area (361-2643).

Bell reminded interested persons that accommodations can still be obtained for any of the seven remaining spring "Hobby Holidays" events. And he said, "we're still making reservations, both cottage and lodge, for persons interested in Spring vacations!" Many good lodge accommodations are still available during the summer months of June, July and August, Bell stated.

Fryman Gets First Major League Win

Woodie Fryman, of Fleming County was credited with his first win in the major leagues last Sunday as he stopped the St. Louis Cardinals in the final inning of play. Fryman, a Pittsburgh reliever, was credited with one strikeout and didn't allow a hit in the only inning pitched. Pittsburgh won 6–5.

Monday night the young Fleming County southpaws saw limited action against the Cincinnati Reds at Pittsburgh. The Pirates won 4–3.

After Fryman fanned Chico Ruiz in the ninth Tommy Harper drilled a single to center field. Then Fryman fanned Pete Rose, but allowed Vada Pinson, a single to right. The local lefty was then lifted for Elroy Face, who fanned Art Shamski to end the game. The Pirates used five pitchers but Fryman was not credited with the win.

Joey Jay started for Cincinnati and was credited with the loss.

Optical Scanner Cuts Cost

Through the use of a new automated optical scanner, the State Highway Department at Frankfort, has cut the cost of billing its toll road customers from $3,920 a month to $1,550 Highway Commissioner Henry Ward announced today.

Kentucky is the first state in the nation to use the optical scanner to process charge card tickets.

The Department hopes to apply the optical scanner to other jobs within the Department.

NICHOLAS COUNTY LIVESTOCK NEWS

by
MARVIN CASWELL
Purina Feeding Manor
NICHOLAS COUNTY FEEDERS
Carlisle, Ky. Phone 1008

CINCINNATI UNION STOCKYARDS

The cattle demonstration now going on at the Cincinnati Union Stockyards has really caught the eye of cattle feeders throughout Northern Kentucky. The cattle were weighed last week for the second time. Average daily gain for the first 29 days on shell corn and Purina Bilk Supplement was 4.2 lbs. per head. It required only 5.07 lbs. of feed to put on a pound of gain. Feed cost per pound of gain was 16.9 cents or $16.90 per hundred pounds of gain. Labor required in caring for the 40 steers has been less than 30 minutes per day. Ray Mills, general manager of the yards, stated that he would like to invite cattle feeders, brood cow men, and farmers interested in new sources of income to stop by and see the cattle and talk over this demonstration.

CONTROL ALFALFA WEEVIL

Only one product is safe to turn cows in on the very next day or put up for hay when it has been sprayed on alfalfa fields. PURINA MALITHION SPRAY 57%. Control "ole" alfalfa weevil with PURINA MALITHION SPRAY 57%.

HIGH PRAISE FOR A GREAT PRODUCT

Purina Golden Bulky is celebrating its first birthday this month. A year ago this month Purina research introduced Golden Bulky into Kentucky. Since that time more than 63,000 bags have been used by dairymen in Northern Kentucky alone. Dairymen report that milk condition really went up when they started using Golden Bulky plus their cows stayed in top body condition. There is SIX BUSHELS OF DAIRY NUTRITION IN EVERY 100 lbs.....Top feed or mix it in your ration. REMEMBER ... Golden Bulky for more milk.

WANT A CHECKERBOARD KNIFE

You can obtain a $12.50 Checkerboard Knife for only 75¢ during the month of May. All you have to do is purchase a Purina Health Aid Product. Ask us about this great deal.

CJW Recipient Of Pen Award

The Carlisle Junior Woman's Club was recipient of a Pen Award presented by the KFWC at the Spring Board Meeting in Lexington, April 26. The award was presented in the area of International Affairs in recognition of the large volumn of correspondence between members of the Carlisle Junior Woman's Club and people in foreign countries.

During the year 1965-1966 approximately 107 letters were written by club members to people in foreign countries.

Frank F. Mathias Awarded Ph.D Degree In History

Frank F. Mathias was awarded the Ph.D degree in history, Monday at the ninety-ninth commencement program of the University of Kentucky.

His doctoral dissertation will probably be published as a book, and is entitled "The Turbulent Years of Kentucky Politics." In this work Mathias reminds Kentuckians that modern social and political problems in education, racial relations, constitutional revision, allocation of public funds and the like, are not really modern problems at all. Each generation of Kentuckians has had to come to terms with these problems since the decades of the 1820's and 1830's, for that is when most of them first appeared.

Another manuscript Mathias is preparing for publication concerns a Kentucky veteran of the Mexican and Civil wars. It will add to the civil war lore of Nicholas County, revealing numerous formerly unknown incidents that occured in this area in the 1860's.

Dr. Mathias, a son of Mrs. Nancy Mathias and the late Charles L. "Lucky" Mathias of East Main St., graduated from Carlisle High School in 1943. Following three years in the U. S. Army, he entered U.K. taking his bachelor's degree in 1950.

He worked for several years with P. Lorillard Tobacco Company, but re-entered U.K. in 1958. The master's degree was awarded Mathias in 1962, and his following doctoral program was directed by Drs. Thomas D. Clark and Albert D. Kirwan.

Dr. Mathias is presently employed as an assistant professor of history at the University of Dayton, Dayton, Ohio. He is in married to the former Florence Duffy of Midway and they have three children, Nancy, Frank and Susan.

Mrs. Haney, Mrs. Patrick To Receive A.B. Degrees

Two Escape Injury As Car Leaves Road

Jimmy Carter and Larry Anderson, Carlisle businessmen, escaped injury Wednesday morning at 2:30 o'clock in an automobile accident occurring about 4 miles west of Carlisle on U.S. Highway 68. The car was heavily damaged.

The accident occurred when Anderson fell asleep, causing the vehicle to veer to the left side of the road where it struck a telephone pole, snapping the pole in two places, at the bottom and some 20 feet up. Ten rods of fence were also damaged before the car came to rest in a wheat field, according to Deputy Sheriff Emery Clark.

Anderson and Carter were returning to Carlisle from Lexington where they had attended a fall merchandise showing of shirts.

Carlisle Alumni Banquet May 27

Frank Mathias, an alumni of Carlisle High School will be the guest speaker at the Carlisle Alumni Banquet which will be held Friday, May 27 at 6;30 p.m. at the Methodist Church.

Mr. Mathias is a graduate of the class of 1943.

Tickets for the banquet must be obtained from the following officers by Monday, May 16: Don Hughes, phone 117; Mrs. Paul Guthrie, phone 326; Mrs. Jewel Vice, phone 1109 or 662 and Custer Blair phone 348-J.

Tractor Pull

The Nicholas County Fish and Game Club is sponsoring a tractor pull at 7 p.m. Saturday, May 14, at the clubhouse on the History Ridge Road.

Three sizes of tractors will compete within each category: Light--up to 3500 pounds; Medium--3500 to 5500 pounds, and Heavy--5500 pounds and up. First place in each class wins $20 and trophy, with second place getting $10.

Mrs. Charlotte M. Haney and Mrs. Sue I. Patrick of Carlisle will receive A. B. Degrees at Morehead State College at the commencement exercises on Monday, May 30.

The commencement address is scheduled for 10:00 a.m. in the fieldhouse while the baccalaureate service will be held on May 29 in the newly redecorated and air-conditioned Button Auditorium at 4:00 p.m.

Other graduation events include; the annual alumni banquet on May 28 at 6:30 p.m. in the Doran Student House and the alumni luncheon for seniors on Monday, May 30 at noon in the Doran Student House.

Record Making Cold Damages Burley Beds

Record making cold weather has done extensive damage to Nicholas County gardens, shrubs, corn, hay crops and fruits, County Agent Estill J. Noffsinger reported Wednesday morning. He added it was really to early to assess the full damage done by the heavy frost.

Several farmers reported 20 degree temperatures and a few recorded a low of 18 degrees.

Much damage was done to gardens, as most warm weather crops were killed. Cabbage, onions, radishes, greens and other hardy vegetable that can stand cold weather were even damaged to some extent.

Some tobacco beds escaped injury while others were damaged. The larger plants were affected more than smaller plants --where the cotton was down on the plants, they were frosted. An estimated 30 per cent of the plants were frozen in a few beds in low areas. Very little corn had been planted in the County, but all that was up, will have to be replanted. Some tops of red clover hay were damaged.

The new growth on shrubs and evergreens was frosted-back. The newly set plants were hard hit.

Mr. Noffsinger closed with, "It looks at this time that much of the fruit; peaches, apples and strawberries have been killed. Only time will tell how much damage was actually done in Nicholas County."

Soil Stewardship Week May 15-22 Sponsored by NCCD

Soil Stewardship Week, May 15-22, is being sponsored locally by the Nicholas County Conservation District with the cooperation of the local ministers and churches.

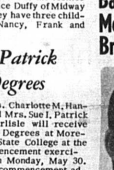
Some material has been distributed to the ministers. Inserts will be distributed at the churches.

The theme this year is "Crisis in the Countryside."

There is a crisis in the Countryside where natural and human resources commingle. Here the failures in stewardship are quickly seen in gullies, stripped areas, run-down farms, poverty, dwindling communities, and people without purpose or meaning left in their lives.

To the committed steward, every challenge to the careful husbanding of God's basic resources for life is a crisis. When land is lost, or water is wasted, or human life is distorted and spoiled, the sensitive steward must cry out "Stop! Life is threatened for all! God's plan for Kingdom wholeness does not allow for this squandering." And the good steward tries to push ahead with community planning and action to overcome the crisis. He works to redirect human efforts towards conservation rather than spoilage of the natural and human resources.

Baker Named Moorefield Bank Branch Manager



The First National Bank of Carlisle announced this week the appointment of Emerson Baker as manager of the Moorefield Branch. He is a native of Nicholas County, graduated from Nicholas High in 1958 and attended the University of Kentucky. He began working at the First National Bank in the fall of 1964 as teller.

Mr. Baker and family live on Route 2, Carlisle.

He is a Carlisle Jaycee and a member of the Carlisle Christian Church. Joe Blount will return to the new First National as cashier.
