Blue Jets Score Win

The Carlisle Jaycee's Blue Jets pleased the fans Sunday afternoon with a tremendous showing as they came out victors over the Georgetown Kiwanis Little League, 27-7. This was one of the better games the Jets have played and is believed to be a direct result of the last 3 weeks hard nose practice sessions.

The Jets won the toss and elected to receive. On the first series of downs Quarterback Kurt Frey scored the first touchdown of the day hitting the middle of the line on a keeper. The extra point attempt failed and the score stood 6-0.

The Jets then kicked to Georgetown and held them on the first series of downs. In the next series of downs the Jet's Back Ernie Compton, made a 43 yd. dash to pay dirt, but the score was voided by a clipping penalty.

On the first Georgetown play, alert lineman David Ritchie recovered a fumble and gave the Jets possession on the Georgetown 45 yd. line. This time Compton's 45 yd. run was good as he ran behind the good blocking will set up by Billy Hunter and Bill Allison. QB Frey went around end for the PAT and the score read 13-0.

At the beginning of the second half the ball changed hands twice before the Jets next scoring play was set up by Jet Roger Walker blocking the Georgetown punt, Alert David Ritchie fell on the ball making it first and 10 on the 40 yard line. Compton and Hunter took turns carrying the pigskin and on a reverse Hunter picked up the 3rd tally of the day. The conversion attempt by Billy Allison was good making the score 20-0.

The Jets then substituted an entire new team of smaller boys which successfully held Georgetown for 3 downs. On the next series of downs Georgetown broke through the Jet defense for their only score of the afternoon.

The Jets received the kick and they marched for another score as Frey made a 50 yd. run aided by the blocking of Hunter, Allison, and Compton, Billy Allison bulled over the goal line to make the final score 27-7.

As Georgetown received the kick an alert Jet jumped on their fumble and the Jets controlled the remaining minutes of the game.

The Coaches pointed out that they were pleased with the entire defensive team's performance led by Larry Trussell, Roger Walker, and Steve Kimberling.

The Jets next contest will be on Saturday, November 5 at 8 p.m., as they travel to Cynthiana to participate in the Pee Wee Football Bowl Game. Won't you make this an evening out for your family and support these CITIZENS of TOMORROW --TODAY?

Controlled Deer Hunt Nov. 9-13

Frankfort, Oct. 20 (Special)---A controlled deer hunt on the approximately 4,700 acres at Camp Breckinridge which is being obtained by the Department of Fish and Wildlife Resources will be held this year during the statewide season of Nov. 9-13, Minor Clark, commissioner of Department, announced today.

The hunt was arranged in cooperation with the General Service Administration from which the Department is obtaining the tract.

Statewide regulations will be in force on the area but hunting will be allowed only on a reservation basis. Only 80 hunters per day will be permitted to hunt. Those wishing to hunt on the area must send in their request by Oct. 31. However, letters postmarked before Oct. 26 will be accepted. Applicants should list their first, second and third day choices and applications must be accompanied by a self-addressed, stamped envelope. Requests should be mailed to Tom Lewis, Department of Fish and Wildlife Resources, 202 Highland Drive, Greenville, Ky.

Hunters for other species of game on the reservation may hunt, within the prescribed season, without obtaining permission.

Ky. Ranks 7th In Angus Cattle

Kentucky farmers who raise registered Angus beef cattle helped their breed climb to new records during the past 12 months, according to a recent announcement from Glen Bratcher, secretary of the American Angus Association, St. Joseph, Missouri. Kentucky breeders recorded a total of 17,887 purebred calves during the past year to rank seventh in Angus numbers. The increase was 1,544 over a year ago.

Registration certificates were issued for 389,141 purebred Angus calves in the Association's fiscal year which ended Sept. 30, a gain of 4,389 (1.1%) over 1965. This was 86,630 more calves registered than the number officially reported for the top ranking horned beef breed group and 224,079 more recorded calves that were credited to the next highest ranking polled beef breed during their 1966 fiscal year.

Kentucky also ranked seventh in Angus sales as farmers in the Bluegrass State transferred the ownership of 13,883 head. In addition, 316 Kentuckians joined the national Angus organization as life members, fourth highest for any state in the nation, and 68 farm youngsters became junior members last year.

AT AUCTION
24 Head of Registered & Grade
Holstein Cows & Heifers
Milking Equipment

Southern States New Fall Corn Fertilizer Plow-Down Program Can Pay Off Big For You

Do This:
Call now for Southern States Fertilizer Spreader Truck. Get your phosphate, potash and part of your nitrogen spread now. Then plow down. This is Southern States Fall Corn Fertilizer Program, your key to bigger corn yields and profits.

Get This:
Decreased soil compaction . . . no more wet spring problems . . . an easing of the pressure next spring. But most important of all, you get as much as 10 extra bushels in yield. That's because by plowing down now, you get the plant food down deep where the moisture is, where the corn roots can utilize it most effectively, even during dry weather.

Results:
Maximum feeding value that's been proven by our Land Grant Colleges to be superior to spring fertilization.

Tobacco Festival Plans Told

Lovell Hollar, chairman of the 10th annual Nicholas County Tobacco Festival has announced the program and rules for the event which will be held in the National Guard Armory on Thursday, Nov. 17. No entrance fee will be charged.

The program: 3 to 4:30 p.m., judging of exhibits; 5 to 7 p.m., exhibits open; 6:30 to 7:30 p.m., youth judging contests; 7:30 to 9 p.m. educational program on better tobacco program by Ira Massie, which will include a question and answer period.

Judges will be Mr. Massie, field agent in tobacco, University of Kentucky, and federal tobacco grader.

The show will be open to any burley grower in Nicholas County including 4-H and FFA members. Seed growers and festival members are ineligible. Tobacco exhibits winning blue ribbons will be displayed in store windows the remainder of the week. All other tobacco will be the property of the exhibitor after 9 p.m. festival day. All tobacco exhibited must have been grown in 1965. Every type shown must be the property of the orginial grower.

All samples will be entered in an official register and shown by number. Names of exhibitors will not be placed on exhibits until after the entries are judged. All tobacco must be entered between 10 a.m. and 2 p.m. the day of the festival. Each farm family will be limited to one exhibit in each class. Samples must contain three hands of each grade and be made up of 12 leaves or more.

ALL - AGE: Ruby - R. C. Dudding, Ironton, Ohio; Hoss Everman - Everman Kennels, Garrison; Big Gabriel - Roger McCarty, Carlisle; Polly Pickett - Joe R. Thompson, Owingsville; Buck Shot (D) - Dick Lemaster, Mt. Sterling; Lonesome Pete Reid, Carlisle; Betty - H. L. McClanahan, Carlisle; Singing Sam - Chad Whitaker, Carlisle; Dusty Gordon - Roy Blount, Carlisle; White Tail - Jackson and Richardson, Owingsville.

BENCH SHOW: Best Hound in Show - Everman Kennels, Garrison; Best Opposite Sex - Everman Kennels, Garrison; Best Natural Carriage - Joe R. Thompson, Owingsville.

Blue Grass Industries Growth Exceeds Housing Facilities

PRODUCTION LINE PLANS are scrutinized by Wayne Shumate, President Blue Grass Industries, seated, and from left, Edgar Allison, Controller; Jim Wells, Director of Purchasing; Alma Curtis, General Manager, and Donnie Haney, Method Engineer. The layout pertains to the new knitting mills production line.

Blue Grass Industries has experienced a phenomenal rate of growth during the past two years. The people of Blue Grass have made the company slogan---"Good Workmanship Is Our Most Important Product"---a living reality. Their top notch quality workmanship is in demand all over the nation because into each product goes this special Blue Grass ingredient. The pride and enthusiasm of these people has brought visitors to our community from around the Nation and even foreign countries during the past year.

Of the personnel employed, did you know that 52% live in Nicholas County? Did you know that the number of Carlisle personnel has increased by 149; since 1964? And, did you know that 17% of the total personnel is male?

In a recent interview with Wayne Shumate, President of Blue Grass Industries, (Blue Grass Industries and BG Knitting) these interesting facts were noted. Another 10% increase in personnel is planned for between now and Jan. 1, 1967 which will bring the total to 700. Within the next two weeks the complete second shift will be in production at Blue Grass Knitting. An entire new line of 50 girls is now being filled in the Knit Sewing Department. A grand total of 1,250 employees in all four Blue Grass plants is called for by March 1, 1967 in order to meet production schedules. Two-thirds of this total is located in the two Carlisle plants.

Long range plans for the next five years call for at least 2,000 people by 1970!

Knowing these future plans, the question arises how much of this growth will the Carlisle plants experience? When asked this question, President Shumate stated; "I certainly hope that the lack of family housing facilities can be alleviated in the near future, so that the future growth of Blue Grass in Carlisle will not be restricted by this problem."

Judging from the inquiries Mr. Shumate has received from Blue Grass personnel during the past year, he would estimate that Carlisle could have increase its total population by no less than 20%, if adequate living quarters had been available.

Emily Asbury Accepts Cincinnati Editor Post

Cincinnati Suburban Newspapers have added a new editor. She is Emily Asbury, daughter of the Mrs. Hicel Asbury and the late Hicel Asbury of Carlisle.

Miss Asbury, a veteran of 18 years in the weekly newspaper field, has been editor of the prize-winning Jefferson Reporter, Louisville, since 1955.

Educated at Ward-Belmont College in Nashville, Tenn., and the University of Kentucky, Miss Asbury began newspapering in her home town of Carlisle in 1948. As editor of The Mercury and The Nicholas County Star, her column, "Here Abouts with Emily Asbury" was judged among the best in KPA competition.

Miss Asbury will coordinate women's news, features and promotional activities of Northeast Suburban Life, The Hilltop News, Eastern Hills Journal and Norwood Enterprise, the four weekly publications of CSN.

Girl Scout Drive Nets $382.70

Richard Jordon, chairman of the Girl Scout Drive held recently announced Tuesday the drive was successful due to the help of both workers and contributors.

A total of $382.70 was given.

Public Meeting

There will be a meeting at the courthouse on Saturday, Nov. 5 at 10:30 a.m. This is a public meeting and all interested citizens are urged to attend and hear an out of town speaker talk on Kentucky's Revised Constitution.

The purchaser was S. S. Lyons of Moorefield.

The sale was handled by Earl Hamm, auctioneer and real estate broker, Carlisle.

DEEDS RECORDED

Ernest Gray and wife 7 acres on Cassidy Creek to Ed Jefferson and wife.

Nicholas County Development Corporation Lot No. 32 in Section C of Lake Carnico Estates to S. M. Humphries.

Morehead Student Shot In Unfortunate Mishap

A Morehead State University student has lost the sight of his right eye and was in the intensive care section of the Lexington hospital after he was shot at 8:45 Tuesday evening, Oct. 25. by his best friend.

James Edwin Simons, 21, Route 3, Carlisle was hit either by a fragment of a bullet or a piece of windshield glass, when the shot was fired on Railroad Street in Morehead.

Investigating State Trooper Marion Campbell gave the chronological version of the incident -

A few days ago Simons and his best friend, William Ewing Harlow, 20, of 342 5th Street, Millersport (near Columbus) Ohio, were involved in an incident on Clack Mountain in which their lives were threatened. Since that time Harlow had placed a pistol in his car.

Tuesday evening Harlow was driving alone, along University Boulevard, in a 1966 Ford.

Simons saw the car and started following it. Thomas Harold Allo, 21, Aberdeen, O., also a student at MSU , was a passenger in the Simmons vehicle, a 1957 Chevrolet.

Simons followed the Harlow car through the traffic light at Main and University Boulevard, near the courthouse.

Harlow proceeded down Trumbo Street, knew he was being followed, and parked near the C&O Railroad Station.

Simons pulled his car alongside the vehicle operated by Harlow.

Harlow, thinking the car following him contained the persons who had threatened him on Clack Mountain, was pointing the gun through the rolled down window.

According to the State Trooper, Harlow said that as he pulled the trigger he recognized his friend, Simons, and "pulled the gun up as I fired."

The bullet hit the windshield and either splintered, or a part of the glass struck Simons' right eye, piercing the eye-ball to a considerable depth.

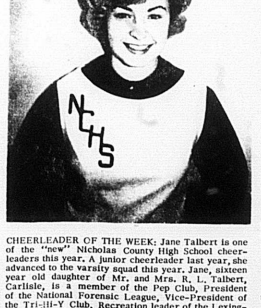
Simons was taken to St. Claire Medical Center and then to Lexington for treatment by an eye specialist. He is expected to recover, but will lose the sight of the eye.

He was released from the hospital in Lexington on Sunday and is at the home of his parents.

Harlow was arraigned yesterday (Wednesday) morning in County Court, charged with malicious shooting and wounding with intent to kill. He waived examining trial and posted $2,500 bond for appearance before the November grand jury. Parents, and friends, of both students had, by this time, arrived in Morehead.

Trooper Campbell said there was no reason to doubt Harlow's story. He also questioned the passenger, Alfo.

The trooper said it seemed that Simons recognized Harlow, and was trying to catch up with the car to tell him something; but that Harlow thought the men with whom he had trouble on Clack Mountain were in the pursuing vehicle.



CHEERLEADER OF THE WEEK: Jane Talbert is one of the "new" Nicholas County High School cheerleaders this year. A junior cheerleader last year, she advanced to the varsity squad this year. Jane, sixteen year old daughter of Mr. and Mrs. R. L. Talbert, Carlisle, is a member of the Pep Club, President of the National Forensic League, Vice-President of the Tri-Hi-Y Club, Recreation leader of the Lexington District of Future Homemakers of America, Junior Counselor at Conservation Camp, Senior Girl Scout, an accomplished musician and a member of the Methodist church.
