BLUES JETS MEET

Continued from Page 7
The White team held the Blue for the first series of downs. After the ball changed hands several times, the first quarter ended scoreless. About midway the second period the Blue made a 6-point tally. The scoring play was set up by a lateral from quarterback Bill Young to half-back Fred Hillier, who completed a pass to Bill Hunter for the 35 yard scoring play. The extra point attempt failed and the half ended 6-0.

The third quarter was a stalemate. Bill Allison raked up a 10 for the White team early in the fourth quarter. The score was made on a 10 yard fumble play and he also followed through to make the extra point good. The Whites went on top 24. This gave the Blue team the spark they needed and they took command in the closing minutes of the game.

utes of the game. With 2 minutes left to play half-back Dennis Hunt made a 53 yard end run for the White team. This touchdown, once again Bill Allison made the extra point. Whites-14 and Blues-0. The coaches are pleased with the progress of the Jets this week. They especially praised the defensive play of Conley, Hays, Walker, Dossene, Trussell and Barnea. The boys are looking forward to a game with Georgetown in the near future.

Blue Team Mike Anthony, Dennis Dossene, Anthony Kelley, Steve Kintner, Hank Gregory, Larry Trussell, Pat Conroy, Jack Febach, Owen Hays, Fred Hillier, William Hunter, Bruce Fuller, Bruce Hillier, Damon Itoob, Denny Watkins, White Team David Ritchie, Kenneth Walker, Larry Trussell, Pat Conroy, Robert Johnson, Jerry Whitaker, Simon Simpson, Kurt Frey, Bill Allison, Dennis Hunt, Dennis Taylor, Doug Drake, Bill Clark, Bonnie Johnson, Garry Hughes, Lowell Myear, Cliff Schaefer.

NEW CONSTITUTION

C. Who wrote the new constitution?
D. Who worked for two years, and he all voted on the result.

C. Who were those 50 people?
A. The Constitution Revision Assembly, created by the 1964 General Assembly, which consisted of the Chief Justice of the Court of Appeals, appointed from the Revision Assembly, one delegate was appointed from each of the 30 judicial districts from the state at large. The seven living ex-

As provided in the Bill passed by the 1964 Revision Assembly, a committee consisting of the Governor, Lieutenant Governor, Chief Justice of the Court of Appeals, one delegate was appointed from each of the 30 judicial districts from the state at large. The seven living ex-

No. 100 political parties, and factions of both parties, were represented among the 50 delegates. There were liberals and conservatives, lawyers, teachers, businessmen, judges and politicians, teachers and housewives, and even one poet, in the Assembly.

How much of part of the revised constitution dealing with the legislative branch of government has been changed?

There are 25 sections which are left unchanged. We have minor changes in the provisions of the new sections in to give more independence to the General Assembly.

"Indian Summer" by John Knowles, John Knowles, recalled by many as the author of a Separate Peace, known as one of the best of recent day writers. In this latest novel, he depicts the vagaries and struggles of a young man without money in the world of the very rich.

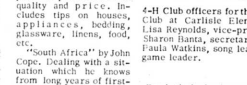

"The Seeds of Hiroshima" by Edita Morris, winner of the Albert Schweitzer Literary Prize, this new novel tells with simplicity and power the story of Yuka and Small Karu, survivors of the Hiroshima holocaust.

Non-fiction "Ancient Egypt" by Lionel Casson and Time-Life Editors. A beautifully illustrated and concise story of life as it was in the land of the pyramids.

"Contemporary Literature: A Guide for Everybody" by John Shea. For anyone with a creative individual, whether homemaker or hobbyist, this is a step-by-step description of how to make contemporary furniture. "The Fatal Impact" by Alan Moore-

4-H Club officers for this year for the 6th Grade 4th Club at Carlisle Elementary School. (Left to right) Dennis Berry, reporter; Diana Ring, secretary; Janet Sloan, song leader; Sue Wilson, vice-president; Robin Sloan, game leader; and Billy Allison, president.

4-H Club officers for the 1966-67 year in the 5th Grade Club at Carlisle Elementary School. (Left to right) Lisa Reynolds, vice-president; Carol Hunt, president; Sharon Hanna, secretary; Mary Ann Wood, reporter; Paula Watkins, song leader; and Elizabeth Ann Davis, game leader.

tronomy" by Patrick Moore. A specific guide to analyzing, written specifically for those who have no telescope, this book deals particularly with the special fascination of the night sky. "Pageant of Toys" by Mary Jillier. The evolution of toy making from antiquity through the Victorian Era is dealt with freshly by a well-known author. Well researched, with a special look at the Orient and its lasting influence on toy development. "Pharaohs of Egypt" by Lucretia Hawken and Editors of "Horizon Magazine". This beautifully illustrated and written book, presented in the excellent tradition of "Horizon", deals with the life when the Egyptian civilization was at its peak. "The Philippines" by (Ingrid D. Corpuz). A fascinating interpretation of the islands' history. This well-researched, readable study attempts to forecast the future of the Philippines as indicated by its past. "The Shopper's Guide" by Allison Steady. An objective and frank guide for all buyers who want to make the best possible purchases in quality and price. Includes information on houses, appliances, bedding, glassware, linens, food, etc. "South Africa" by John Cape. Dealing with a situation which he knows from 30 years of firsthand experience, the author traces the racial strife of apartheid to its origins and predicts the racial future of South Africa. "The Technique of Weaving" by John Tovey.

Stamm. An out-line of up-to-date treatment and prevention of farm animal diseases, based upon the most recent information available. This book is of value to all farm owners.

For both the beginner and experienced weaver, this illustrated book provides a guide to types of looms and techniques of weaving. "Veterinary Guide for Farmers" by C. W.
