## Soil Stewardship Week

The week of April 30-May 7 has been set aside as Soil Stewardship Week. Although the practice of good stewardship is a year-round respon-sibility, let each of us during this week consider our role as stewards

week consider our role as atewards of this land the Lord has given us. Let us consider our land.

Spreading acre by acre and mile by spreading acre by acre and mile by spreading acre by acre and mile by the largest single expanse of productive land on Earth.

It is an awesome land, magnificient in the variety and richness with which God endowed It.

God endowed It.

God endowed the contract of the land, entrusted to our care during our lifetime to belie our care during our lifetime to belie

our care during our lifetime to help us serve Him and His purposes for

us serve Him and His purposes for our being.

As stewards, we have decided that one-fourth of it should be managed for all of us by our government. The much larger part-three fourths-we have divided into millions of units in private ownership.

Three-fourths of our land! Here is an emulre of the poblest proportions-

Three-fourths of our land! Here is an empire of the noblest proportions-nearly 1.5 billion acres, which fortify our present strength and stand surely as a testing ground for our future. It is the land on which we must depend to produce more and still

more food--for our own growing needs and to help those abroad who hunger. It is the land where we can add to the supplies and quality of our water and where most of our timber

outdoor recreation needs can be met and where most of our wildlife will be produced

outdoor recreation seeds can be met be produced.

Three-fourths of our 'stidite' will be produced.

Three-fourths of our 'stidite' will be produced.

Three-fourths of our 'stid 'stide' will be produced.

## MERCURY VAPOURS

Since last week was Kentucky's "Go Fishing Week", and we were down in his art of the state (Pennyrile and Pennyrile and Pennyril

--MV--From the quality of the pictures brought the Mercury this week by Bill Threlkeld, the Band Boosters Panto-mine Show scheduled for April 27-9 at Carlisle School will lay the patrons in the asile.

in the aisle.

There are new faces, acts and music. The local group is beginning to
rival the PU Band from Owensboro
which we were priviledged to watch in
January. We're told reserve seats are

now on sale at Morrison's Variety Store, so for a side-splitting evening pick up your ducats today. Oh, yea, the pictures are scattered throughout the Mercury-usually at the top of the page for your viewing
