Defensive Team--Ready To Hold That Line!

1968 Wheat Program Participation Outlined

While there will be no wheat diversion in 1968 the wheat program is still a compact between government and farmers with each participating farmer doing certain things to qualify for wheat marketing certificate and price-support loans.

Cooperative Extension Service agricultural economist... Stay within any wheat allotment... Domestic marketing certificate for 1968 wheat crop will be valued at the difference between last year's price-support base value...
