## Scholarships Available

Time Running Out "Time" is getting short for high school seniors to register for civil engineering scholarships sponsored by the Kentucky Department of Highways," says State Highway Commissioner Mitchell Timmerman.

The scholarship affords a stipend of \$95 a month to University treatment while they are in school. Plus summer employment as an Engineering Helper at \$79 per month. Annual earnings which will help substantially to defray the student's college expenses," Timmerman said.

Applicants must be returned to Professor Byler, the no later than April 1. Byler, office on the campus as well as high school principals will furnish further information.

### TRAFFIC TRUTHS!

TRAFFIC accidents occur when people ignore "reaction time" in driving. This is the time between the perception of danger and the application of the brakes. For the average driver, this reaction time is .25 seconds. That brief space with "live" moving traffic will "live" between vehicles help to increase the margin of safety.
