MEDICARE IS 2-FOLD PLAN

Medicare provides a two-part protection plan for those people who are 65 or older according to Fred Smith, Field Representative, Lexington, Kentucky District Office.

Hospitalization under Medicare is automatically available for those who are old enough and no premium is charged for this coverage. Medical insurance which is the second part of Medicare is voluntary and the beneficiary pays half the cost with the government paying the other one-half share.

WHY IS LOW-COST ELECTRIC HEAT BEST FOR YOUR HOME?

SAFE

COMFORTABLE

ECONOMICAL

Flameless Electric Heat is best in every way. It gives steady, even warmth for every room from ceiling to floor. There are no dangerous flames or smoke to dirty your home. Electric Heat is practically maintenance-free; an important advantage over those old-fashioned systems. And, it's economical, thanks to low-cost rural electric power. Ask us for free information about Electric Heat.
