Ward Favors School Prayers

Louisville, "I favor allowing school prayers," Henry Ward said here recently.

In a statement, Ward said "a child who wants to recite a prayer of his or her own faith should be allowed to do so in school."

or her own faith should be allowed to do so in Ward, Democratic candidate for governor in the candidate for governor in the said, "I do not think that said," I do not think that said, "I do not think that said," I do not think that said, "I do not think that said, "I do not think that said," I do not think that said, "I do not think that said, "I do not have the children to say in school. But any child know a prayer learned at home or in church, and I swing a minute or two a day for the child to pray a chool, and the said said that so well as the said said that so well as the said said that said the would be his official policy and forts to secure unhindered authority for children to be allowed to pray Ward has been in charge of Kentucky's massive of Kentucky's massive of the said said years, and resigned recently to Democratic nomination for Governor.
