**Kindergarten Kappers**

By Kenny Kindergarten  
The past three months have been busy, happy months for the boys and girls in kindergarten. We are really having fun in our new home in the new Regional Library building where we have so much space for our many activities.  
When we started to kindergarten in October we learned to say the pledge to the flag, songs and many other things about the flag that we didn't know. During this month we talked about the different seasons of the year and since it was autumn we brought different signs of autumn that we found in our yards to kindergarten. "Miss Dottie" hung a branch from the ceiling and tied these many things on it. Our autumn branch was so colorful with bright colored leaves, bitter-sweet, wild grapes, cat-tail, and Indian corn. We also studied about Columbus and learned songs and poems about Halloween. We ended that month with a Halloween Party.  
During November we studied about the Pil-

grims and the first Thanksgiving. We made Pilgrim hats to wear and "Tom Turkey" out of paper bags.  
One of the things we enjoyed doing most in November was our daddy's old shirt so we wouldn't get paint on our clothes and we all looked so shiny.  
We have been learning to print, and to count. We have been having such fun playing games that teach us our colors and safety rules.  
You should hear our rhythm band. We may be little, but we are loud! We could hardly wait for December to come.  
We were very busy during December making all sorts of Christmas decorations and gifts and also learning songs and poems for our Christmas Play.  
The decorations we liked best was our Santa Claus face that we made from coat hangers and stockings stretched over them with cotton boards.  
We used them to decorate our room for our Christmas Party and later took them home to hang in our windows.  
We were so glad so many of our mothers, fathers and friends came to our Christmas Play. They all seem to think that we did real well in our first public performance.  
Our most important guest was brought to the party by our friend, "Follemman Kelley," who rushed in the door blowing his whistle and announcing that Santa had come!  
Now I guess you see why these have been such busy, happy months for us as we have learned to share, play and work together.
