

Tobacco Program Set Jan. 24

Lexington — Tobacco farmers from two local Kentucky areas of the University of Kentucky Cooperative Extension Service will have a special production session Jan. 24, at the University here.

The areas are Fort Harrod (Franklin, Anderson, Mercer, Gentry, Boyle and Lincoln counties) and Blue Grass (Fayette, Scott, Nicholas,

Gray and J.B. Hocken-smith, Dr. John Ragland, chairman of the agronomy department, will welcome the visitors.

College Deferment Tests Announced

The Director of Selective Service, Lt. General Lewis B. Hurdley, announced today that Selective Service College Qualification Tests (SSCQT) similar to those given during 1966, will be administered on Saturday, March 11; Friday, March 31; and Saturday, April 8, in more than 500 selected test centers in the 50 states, the Canal Zone, Virgin Islands, Puerto Rico, and the Dis-

trict of Columbia. Posters announcing the examination will be on display at colleges, universities, post offices and public buildings.

Application cards and Bulletins of Information concerning the test will be available at Selective local boards commencing Jan. 23.

Any Selective Service registrant who is presently enrolled in college or is a high school senior or graduate has not previously taken the test may apply. All applications must be post-marked no later than February 10.

Alumni To Meet Jan. 21

"Alumni" of the Henry Ward "School"—people who have worked with Ward in Kentucky programs and projects—will meet in Lexington on Jan. 21 to honor their old boss.

Ward, a native, former newspaperman, and high way commissioner for the past six years, resigned recently to run for the Democratic nomination as governor.

Members of the "club" are being contacted by a committee headed by Bruce Montgomery, Danville, who worked with Ward in state part programs when Ward was state Conservation Commissioner.

Montgomery said Kentuckyans automatically become members of the club when they have succeeded in equating Ward's energetic drive to accomplish goals.

"Then you are introduced," Montgomery said, "to a group of people called the 'rough school' but he added that the rewards—a feeling of accomplishing something of importance to Kentucky—are worth the effort.

"That is why we feel this strong pride in working with Henry Ward," Montgomery said. "And that is why we want to get together at the Sheraton Hotel in Louisville on Jan. 21 to eat lunch with Henry." Montgomery said "alumni" from over the state and from out of state are coming to the luncheon.

"We want to continue to battle for progress for what Henry Ward calls a 'crusade' for a new day in Kentucky"—and we're going to tell Henry how we feel about him," Montgomery said.

CLYDE IS COMING
Clyde is coming to our store... watch for him!

RATS CAN CAUSE YOU TO LOSE
Rats can be rather expensive around the farm. U.S.D.A. figures show that one rat can cause you to lose up to \$80.00 per year. They will eat several bushels of grain, destroy several more, eat wiring, plumbing, etc. Rats can also cause breeding problems with your cows if by many droppings get in the feed. Rid your farm of this pest by using PURINA RAT KILL... the sure rat killer that rats prefer.

NEED A VACATION
We are making plans to take a group of progressive farmers to the Purina Research Farm, Feb. 6 & 7. The farm is located near St. Mo. and is visited by more than 20,000 farmers each year from all over the world. This is a sure way to bring your self up to date on the latest methods of feeding and management of livestock about new methods of handling hogs, cattle, poultry and dairy animals. Dairymen will be allowed to spend all the time they wish with Dr. J. P. Everett, director of dairy research, as well hogs, men and cattle men with the units of their interest. Contact us here in the store for all the details.
