Grand Jury Report

The Grand Jury of the Nicholas Circuit Court has submitted its report of sessions on Feb. 6 and Feb. 20, as follows:

COMMUNISM: The Grand Jury heard one witness regarding an alleged conversion of mortgaged property. The Grand Jury did not return an indictment because of insufficient votes.

The Grand Jury did receive information of certain repairs that may be needed at the Nicholas County Hospital. The Board of Trustees of the hospital are urged to make a review of the shower, and both room facilities next to the nurse station as some of the equipment apparently is in need of repair. Also, it is reported that some of the windows may have broken panes.
