Information Officer. In 1960 he was recalled to active duty for a secret assignment with the 101st Airborne Division where he worked with NATO and was necessary to put the program into effect.

As provided by law, a referendum will be held early next year to determine whether the Turkey growers favor the continuation of the present acreage allotment or a better quota program for the 1968, 1969 and 1970 crops.

The 1967 crop in the last Burley tobacco crop for which quotas have already been approved. Present legislation does not provide for an acreage-purchase referendum for the 1968 Burley crop.

"He has established a record of public service that we may get acquainted with in the future," O'Keefe said, "and additional members will be announced soon."

**Nurse Shortage**  
Frankfort -- To help relieve a severe nurse shortage, Governor Edward T. Breathitt is asking all nurses in Kentucky,

whether employed or not, to register at county clerk offices during Nurse-Recognition Week, March 20-25.

"We know we must train more nurses than we are now training," Breathitt said after proclaiming the special week. "But we also would like for those who have been trained to help us recognize them as we stand."
