Be Neat As A Skunk

Controlling pollution of air and water is no well publicized for which the private individual alone is responsible, namely, highway, street, park and recreation area pollution. The individual is solely to blame for this and has full control of it. Refuse from littering all public places. Use individual care everything from cigarette gum and candy wrappers, ice cream bars, napkins, socks, newspapers and more tissue to beer bottles.

Conservation Means Use

You hear a lot about conservation these days, and for good reason. It is a really important term. Most people think of conservation as being something that is done to conserve the status quo. They think of it as being something that is done to conserve the status quo. They think of it as being something that is done to conserve the status quo.

MERCURY VAPOURS

Sometimes we manage to get our area out on the limits so to speak with making a prediction that there would be those who did not know they wouldn't like the Mercury's new size. Funny though, we haven't met anyone who has expressed a dislike. Last Wednesday I carried rather wet, we were nervous, so after gathering up some five trash cans with lids ill-cut for Paris with our eight negatives arriving there a few minutes before 12 noon.

Twenty & Forty-Five Years Ago

Thursday, May 8, 1947. The Deposit Bank of Carlisle, executor of the estate of the late C. C. Bassett, announced this week that the two buildings on Main Street now occupied by C.C. Cole company and Lexington department store would be sold at public auction at 2 o'clock Saturday afternoon, May 24.
